# Student Achievement Data

Each spring, all public schools in the State of Missouri are required to administer the state achievement MAP (Missouri Assessment Program) test. The MAP test is given in the areas of English Language Arts to students in grades three through eight; and Science to students in grades five and eight. End-of-Course (EOC) testing is offered upon completion of Algebra I and II, Geometry, English I and II, Biology, American History, and Government.

Student performance on the MAP is reported in terms of four performance or achievement levels: Advanced, Proficient, Basic, and Below Basic. These scores are a means of comparing test results with standards of academic performance as established by a state panel drawn from education, business, and professional communities.

# District Data

The voted tax rate is the maximum amount approved by Camdenton R-III School District voters for school operations (e.g., Incidental, Teacher, Capital Projects Funds). The Debt Service Levy is set by the Board of Education solely for the purpose of retirement of debt. In November, 1998, Missouri voters approved a constitutional amendment which authorizes Boards of Education to set a \$2.75 levy for operations without a vote of school district patrons.

The adjusted tax rate is the actual tax rate levied for a given tax year. For the 2016 tax year, the actual amount levied for Operations was \$2.56. The amount levied for Debt Service was \$.31. The total amount levied was \$2.87.
