## School Accountability Report Card

### Reported Using Data from the 2014-15 School Year

#### Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (Most Recent Year)

---

#### About the SARC

The purpose of the School Accountability Report Card is to provide parents, community members, staff, and visitors with information about Mammoth Middle School's instructional programs, academic achievement, materials used for this achievement, the facilities which our students have to work with, the quality of the teaching faculty, and much more. The State of California requires that we publish this Report Card each year for the previous year, so that we are held accountable in all these areas.

#### Mission Statement

The mission of Mammoth Middle School is to inspire, educate, and empower our community's future leaders by providing a healthy, safe, and respectful environment which fosters the students' academic, social, and emotional growth. Our school has a tradition of academic excellence produced in a caring and safe environment.

#### Principal's Message

At Mammoth Middle School, we are committed to supporting your children in their intellectual and social development during their early adolescent years. The content of our classes focuses on the Common Core State Standards and provides opportunities for individual, small groups, and whole group instruction, as well as academic intervention. The culture of our school reflects a commitment to working together with parents, students, and our community to ensure all of our students meet their full academic and personal potential. In addition to a rigorous academic program, our school makes available for students a wide array of school-sponsored clubs, sports and activities. We offer a structured learning environment that encourages safe and respectful interactions among students and between students and adults. Taking advantage of these opportunities can help your children develop confidence, independence, and interdependence within a community. At Mammoth Middle School, we strive to make our motto, "show your Mt. Lion P.R.I.D.E." come to life every day (Positive, Respectful, Integrity, Disciplined and Dependable, Excellence). Parents and the community play an extremely important role in the school. Understanding the school's educational programs, student achievement, and curricular offerings can assist both school and the community in making needed improvements. We hope this Report Card gives all who read it insights into what our school is really all about.

#### District and School Profiles

Mammoth Unified School District, located in Mono County and nestled in the Eastern Sierra mountains, educates approximately 1,200 students in grades kindergarten through twelve on a traditional calendar system. There are currently one comprehensive high school, one continuation high school, one middle school, and one elementary school in the district.

The school opened its new facility in 2003 to grades six through eight. Teachers, staff, and administrators continue to act on the principle that students come first. The educational programs at the school are tailored to meet the needs of a changing school population. Mammoth Middle School is committed to providing a strong instructional program for all students to ensure excellence in education. This excellence can be seen in the staff who play such a vital role in providing a quality educational program. In the 2015-16 school year, the school is serving 280 students.

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Teacher Credentials**

Teachers	School			District
	2013-14	2014-15	2015-16	2015-16

Low-Poverty Schools in District	0.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Year and month in which data were collected: September 25, 2015

Mammoth Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. Mammoth Unified School District held a public hearing on September 22, 2011, and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Visual and Performing Arts, Health, and Foreign Language for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks. Mammoth Unified School District follows the state board of education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption.

The textbook adoption process begins with the district Curriculum Committee consisting of administrators and teachers. The Committee identifies key elements to consider in the adoption decision-making process, establishes selection criteria based on state standards, reviews instructional materials on the state list, and makes recommendations to the governing board for final adoption. The committee examines each program and selects programs to be piloted. Recommended programs are available at the school sites for teacher and parent preview. The feedback provided by teachers and parents becomes the basis for the recommendations to the board for final adoption. The table displays information collected in January 2015 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Glencoe Adotped 2001	Yes	0.0%
Mathematics	Big Ideas Adopted 2014	Yes	0.0%

Foreign Language	Middlebury Interactive: 2014	Yes	0.0%

### School Facility Conditions and Planned Improvements (Most Recent Year)

Built in 2003, Mammoth Middle School is situated on nine acres. The school buildings span 41,800 square feet, consisting of classrooms, a library, a multipurpose room, administrative offices, restrooms, and storage rooms. The facility strongly supports teaching and learning through its ample classroom and playground space.

#### Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are cleaned daily. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

**California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (Most Recent Year)

Mammoth Middle School benefits from extensive support from parents and community members. Mammoth Middle School is proud of its many opportunities for parents to volunteer their time. These opportunities include classroom and project volunteers, field trip chaperones, fundraising, English Learner Advisory Committee (ELAC), Mammoth Middle School Parent Organization (MMSO), and School Site Council (SSC) membership. Mammoth Middle School also benefits from partnerships with the following community organizations:

- Amerigas

- Angel’s Restaurant
- Giovanni’s Pizza
- Mammoth Hospital
- Mammoth Lakes Police Department
- Mammoth Lion’s Club
- Mammoth Middle School Organization (MMSO)
- Mammoth Noon Rotary Club
- Mammoth Schools NOW Foundation
- Mammoth Sunrise Rotary Club
- Mono Council for the Arts
- Roberto’s Restaurant
- Vons Mammoth Lakes
- Z Pizza

**Contact Information**

Parents who wish to participate in Mammoth Middle School’s leadership teams, school committees, or become a volunteer may contact the school office at (760) 934-7072. The district’s Web site ([www.mammothusd.org](http://www.mammothusd.org)) provides a variety of resources for parents, students and community members. Mammoth Middle School Organization (MMSO) meets the last Wednesday of each month at 8:00 am in the library. The MMSO raises funds for many school activities, including the annual Eighth Grade Field Trip to Los Angeles. The president of MMSO is Connie Moyer.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Rate	School			District			State

<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.00	0.00	0.13	0.10	0.09

**School Safety Plan (Most Recent Year)**

Safety of students is a priority of the school staff. Students are supervised throughout the day by teachers, administration, campus security, custodians, and para professionals. Visitors to the school must check in at the office and wear a visitor’s badge while on campus. Mammoth Middle School’s Site Safety Plan is revised each fall by the School Site Council, which consists of administrators, staff members, and parents. Key elements of the Safety Plan include student safety, school climate, and emergency preparedness.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted on a regular basis throughout the school year, including quarterly fire evacuations and annual intruder and disaster drills. In the event of an emergency, the school’s Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available. The safety plan was last reviewed with staff in September 2014. An updated copy of the plan will be available to the public at the school and district offices.

**Professional Development (Most Recent Three Years)**

The district provides time and resources for collaboration, planning, and professional development for all staff. Teachers at Mammoth Middle School receive training directly related to curriculum and instruction by attending workshops and conferences which are approved by the Common Core State Standards Committee, comprised of teachers, administration, and district. Staff development days enable staff members to deliver curriculum and instruction that is rigorous, challenging, and responsive to student needs. Based on student achievement data, the focus of the majority of Mammoth Middle School's recent professional development has been on literacy, Common Core State Standards (CCSS) instruction, curriculum planning, and alignment of resources to CCSS.
