- B. The intent of this Agreement is to set forth and record herein the basic and full agreement between the parties on those matters pertaining to wages, hours, and conditions of employment for licensed personnel included in the bargaining unit.
- C. This Agreement supersedes any previous agreement. This Agreement, together with all the terms, conditions and effects thereof, shall be effective and expire on the dates indicated in Article XXV:
DURATION AND SIGNATURES.
- D. The Board recognizes the Association as the exclusive bargaining representative on wages, hours and conditions of employment for all full-time and part-time (½ time or more) licensed teaching personnel employed by the District. Substitute teachers and temporary teachers employed for less than sixty (60) continuous calendar days are specifically excluded from the bargaining unit. Such representation shall exclude those employees excluded by state law. The purpose of this Article is to recognize the right of the bargaining unit in negotiations with the Board.
- E. There shall be two signed copies of the final Agreement for the purpose of records. One shall be retained by the District and one by the Association. The District agrees to print sufficient copies of this Agreement for all employees covered by this Agreement.
- F. **NEGOTIATION PROCEDURES**
 - 1. Procedures for negotiations, within the guidelines provided by law, will be determined at the initial meeting or meetings before actual negotiations begin.
 - 2. Any agreement so negotiated and subsequently ratified by both parties will be reduced to writing and signed by both the chairperson of the Board and the president of the Association and a signed copy provided to each party.
 - 3. No change, revision or modification of this Agreement, in whole or in part, shall be valid unless it is reduced to writing and ratified by the Board and the Association.

**ARTICLE II
GRIEVANCE PROCEDURE**

A. DEFINITIONS

1. A **grievance** is a claim by an employee based upon the interpretation, application or violation of the specific provisions of this Agreement.
2. A **grievant** is the person or persons and/or the Association making the claim.
3. A **party in interest** is the person or persons making the claim, and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
4. A **day** means days on which the District office is open.
5. To qualify as a grievance under this Contract, a Level One procedure must be started within twenty (20) days of the date of the alleged contract violation.

B. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept informal and confidential (need to know) as may be appropriate at any level of the procedure.
2. Nothing contained herein will be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, provided that the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given an opportunity to be present at such adjustment and to state its views.

C. PROCEDURE

1. Level One - Principal or Immediate Supervisor

A grievant shall first discuss it with his/her principal or immediate supervisor, either directly and/or through the Association's designated representatives, with the objective of resolving the matter informally. The Association shall notify the principal/supervisor if an Association representative will be present.

2. Level Two - Superintendent

- a) If the grievant is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within ten (10) days after the presentation of the grievance at Level One, the grievant may file the grievance in writing to the superintendent. The grievance must be filed with the superintendent within ten (10) days after the decision at Level One or twenty (20) days after the grievance was presented, whichever is sooner.
- b) Within ten (10) days after receipt of the written grievance by the superintendent, the superintendent will hold a Level Two grievance conference.

3. Level Three - School Board

- a) If the grievant is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within ten (10) days after the Level Two conference, the grievant may file the grievance in writing to the School Board. The grievance must be filed with the School Board within ten (10) days after the decision at Level Two or twenty (20) days after the Level Two conference, whichever is sooner.
- b) Within ten (10) days after receipt of the written grievance by the School Board, the School Board will schedule a Level Three grievance conference.

4. Level Four - Arbitration

- a) If the grievant is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within ten (10) days after the Level Three conference, the Association may submit the grievance to arbitration. The arbitration will be conducted in accordance with the Voluntary Labor Arbitration "Rules of the American Arbitration Association" in effect at the time (hereinafter referred to as the "AAA rules").
- b) Within ten (10) days after such written notice of submission to arbitration, the superintendent and the Association will attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the 10-day period, a request for a list of arbitrators may be made to the Employment Relations Board by either party. The parties will then select an arbitrator by using an alternate striking procedure.
- c) The arbitrator so selected will confer with the representatives of the superintendent and the Association and hold hearings promptly and will issue the decision not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs are submitted. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The decision of the arbitrator will be submitted to the Board and the Association and will be final and binding upon the parties.
- d) The arbitrator shall only have the authority to hear a grievance filed and processed in full compliance with the procedure outlined herein and shall not be empowered to add to, expand or detract from the specific and expressed terms of this Agreement.
- e) The costs for the services of the arbitrator, including per diem expenses, if any, and travel and subsistence expenses and the cost of any hearing room, will be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.

D. RIGHTS OF EMPLOYEES TO REPRESENTATION

1. An Employee and Association

A grievant may be represented at all stages of the grievance procedure by him/her or, at his/her option, by representatives selected or approved by the Association. The Association shall have the right to be present and to state its view at all stages of the grievance procedure.

2. Reprisals

E. MISCELLANEOUS

1. Group Grievance

If, in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievance in writing to the superintendent directly, and the processing of such grievance shall be commenced at Level Two.

2. Written Decisions

All decisions of the grievance procedure subsequent to Level One shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Association.

3. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

4. Meetings

**ARTICLE III
COMPLAINT PROCEDURE**

- A. If a complaint is made against a teacher to the administration by a member of the public, the administration will first attempt to resolve the complaint at an informal level. If the complaint remains unresolved, said complaint shall be processed as follows:
1. If the administration intends to make a record in the evaluation report of a complaint received concerning the teacher; or
 2. If the administration intends to place a record of such complaint in the teacher's personnel file; or
 3. If, in the administrator's judgment, such complaint is sufficiently relevant to the teacher's performance as to indicate the desirability of a conference, then:

The complaint shall be reduced to writing and a conference shall be held with the teacher within ten (10) working days after the written complaint is made to the administration. At the conference, the teacher will have a right to be represented and will be given a copy of the complaint in writing and said complaint shall include all available information, including the name of the person(s) making the complaint, the nature of the complaint and requested remedy, if any.

- B. If the teacher believes it necessary, he/she shall have the right to meet with the complainant. The teacher will have the right to attach rebuttals or explanations to any written documents placed in the personnel file.
- C. Only complaints which are signed by complainant(s) and which the District determines are valid shall be placed in a teacher's personnel file. In the case of a student complaint, a parent, guardian, or the student shall sign the complaint.
- D. Complaints brought directly to the Board or an individual board member will be referred in accordance with District policy KL – Public Complaint.

**ARTICLE IV
LAYOFF AND RECALL**

A. LAYOFF

If the Board determines a layoff, in accordance with ORS 342.934, is necessary, the District agrees that such reduction shall be made in accordance with the following procedure:

1. Whenever the District determines that a layoff is necessary, it will notify the Association. Except in the case of an emergency, notice will be given to the affected employees as soon as is practicable.
2. In conducting a layoff under this Article, the District will first determine the program(s) or area(s) scheduled for layoff or elimination.
 - a) After such determination, the District will make every effort to transfer employees in such program(s) or area(s) to other vacant positions for which they are properly licensed.
 - b) The District will make every reasonable effort to combine positions in a manner, which allows employees to remain licensed so long as the combined positions meet the needs of the District.
3. In the event that a layoff is necessary, the employees to be retained shall be determined by means of the following criteria:
 - a) A determination that the teachers to be retained hold the proper license to fill the remaining position(s); and
 - b) The District may retain a teacher with less seniority if the District determines that the teacher being retained has more competence than the teacher being released except that no permanent teacher will be laid off if licensed to teach a course being taught by a probationary teacher.
 - c) Competence shall be defined as the ability to teach a subject or grade level defined as elementary (k-6), middle (7-8), or high school (9-12) based on recent teaching experience related to subject or grade level within the last five years. Consistent with this definition of competence, however, so long as an employee is already licensed in a given area, subject, or endorsement area at the time that a layoff is declared, the District shall consider the willingness of the employee to pursue additional training and educational preparation equivalent to nine (9) credit hours in making a competence determination. The nine (9) credit hours are subject to mutual agreement. For purposes of this section, Title I, Special Education, and Elementary Specialists (Music, PE, Counseling, Child Development) shall be grouped with the grade level that the particular employee has been teaching.
4. Seniority shall be defined as the employee's total length of continuous service in the District beginning with the first day of actual service after the most recent date of hire. Seniority will be computed and accrue from the employee's first contract day in a bargaining unit position, and shall continue to accrue during paid leaves. Seniority shall not accrue during unpaid leaves of absence, except as required by law, but authorized unpaid leaves of absence shall not be considered to "break" continuity of employment. In case two or more employees have the same seniority with the District, the tie will be resolved by drawing lots.

5. Nothing in this Article shall be construed so as to interfere with the Board's right to dismiss a permanent teacher pursuant to the provisions of the Fair Dismissal Law or to dismiss or non-renew a probationary teacher pursuant to ORS 342.835.

B. RECALL PROCEDURE

If, within twenty-seven (27) months of a layoff, a vacancy occurs within the District for which a laid-off employee is licensed, the recall procedure outlined below will be followed:

1. Employees will be recalled in reverse order of layoff utilizing the criteria set forth in Section A.3 above.
2. At the time of layoff, the District shall provide for laid-off employees to express in writing a desire to return to the District. The District shall also receive the employee's address for recall notification. In the event of a recall, the District shall notify the employee who has expressed a desire to return to the District of the recall by certified mail, return receipt, sent to the last address given by the employee to the District office. The employee will have fifteen (15) calendar days from the date of mailing to notify the District of intent to return. The employee must thereafter report on the starting date specified by the District providing that this will not be less than fourteen (14) calendar days, or in the case of a teacher employed by an Oregon district, sixty (60) calendar days, from the date the notice of recall was received, or lose all recall rights. If an employee refuses a recall to a position of equal or greater hours, he/she shall lose all recall rights.
3. All benefits to which an employee was entitled at the time of reduction will be restored to the employee upon the employee's return to active employment. The employee will be placed on the proper step of the Salary Schedule for the employee's current position according to the employee's experience. An employee will not receive increment credit for the time spent on layoff nor will such time count toward the fulfillment of time requirements for acquiring permanent teacher status. Employee benefits do not accrue during the time of layoff.
4. Employees covered by this Article will have the option to continue insurance programs at their own expense subject to the approval of the insurance carrier.
5. Employees covered by this Article will be given consideration for substituting; such will not affect the employee recall rights.

C. APPEAL PROCEDURE

Any "appeal" from the Board's decision on layoff or recall pursuant to this Article shall be by means of expedited arbitration as follows:

1. The Association shall have ten (10) days from the time the teacher received written notice of layoff to request expedited arbitration. This request shall be in writing.
2. The Association and the District shall then have ten (10) days to select an arbitrator. Failing to do so, the Association and the District shall request that ERB appoint an arbitrator who can hear the case within one (1) calendar month.
3. The decision of the arbitrator will be final and binding on all interested parties as long as the arbitrator's decision is within his/her jurisdiction. The arbitrator is authorized to reverse the layoff or recall decision made by the District only if the District:
 - a) Exceeded its jurisdiction;

- b) Failed to follow the procedure applicable to the matter before it;
- c) Made a finding or order not supported by substantial evidence in the whole record (including its determination of merit and competence); or
- d) Improperly construed the applicable law.

ARTICLE V DISTRICT RIGHTS

The Association and the District shall share equally the responsibility for applying the provisions of this Agreement. Inasmuch as there are other means available to an individual to seek relief from a complaint based on any of these issues, if the individual elects to pursue the complaint through means established by statute, then the final level of appeal through the grievance procedure of this Agreement shall be with the Board, whose decision shall be final and binding.

Notification during the school year shall be by posting in all schools. A copy of the vacancies shall also be placed in the District office and a copy sent to the president of the Association. If a teacher wishes to be informed of vacancies in the summer months, he or she will leave his or her name and summer address with the District office.
 2. Teachers who desire a change in teaching assignment or wish to be considered for summer employment may file a written request with the superintendent and that request shall be considered. If a teacher wishes to make application for a specific position, then he/she must submit a complete application and supporting materials.
 3. If a teacher's request for a transfer has been denied, he or she shall receive, upon request, a written explanation of the reason(s) therefore from the superintendent or building principal.
 4. Additional preparation time may be justified in transfers of a substantive nature. Additional time may be granted in the form of paid release time or extended contract time.
 5. All teachers who request a transfer to a specific position shall receive an interview for that position. District teaching experience shall be considered in the decision of whether to grant a transfer request.
 6. Seniority shall be one of the criteria considered in teacher-initiated transfers.
- B. ADMINISTRATIVE TRANSFERS: Transfers that is District-initiated.
1. The quality of the instructional program or District financial constraints may be considered when making administrative transfers.

 3. Administrative transfers of a substantive nature (as determined by the administrator) may justify additional preparation time for the teacher. Additional time may be granted in the form of paid release time or extended contract time.
 4. Transferred teachers will be given assistance with the transfer of material/equipment between work sites.

5. Seniority shall be one of the criteria considered in conducting administrative transfers.

D. JOB SHARING

1. Definition: Job sharing shall refer to two (2) unit members sharing one (1) full-time position.
2. Purpose: The District recognizes that job sharing may be beneficial to the students of the District. Job sharing will only be considered when mutually agreeable to the unit member(s) and the building administrator(s) involved.
3. Application: Job sharing positions shall be available to unit members who have expressed interest in writing to the superintendent prior to May 1. As job sharing positions for the subsequent school year become available, the interested unit members (who are certified for each position) will be notified by the superintendent. The unit member will then have five (5) days to confirm his/her interest in each particular opening. If there are more applications for shared jobs than there are openings, selection shall be based on seniority and certification. The superintendent will have authority to grant approval and transmit the decision to the unit members involved.

7. Return to Full-Time Position: If the District determines the job share position is to be eliminated or returned to a full-time position, the employee initially holding the position shall be offered the full-time position. If both employees initially held a full-time position in that grade level or department, the position shall go to the more senior employee. If they have equal seniority, the tie will be broken by drawing of lots. The employee not returned to the full-time position shall be considered laid off, if unable to transfer, and the provisions in Article IV-Lay Off shall apply.

If the employee(s) determine that he/she/they no longer wish to continue in a job share position, the employee initially holding the position prior to the job share shall be offered the full-time position. If both employees initially held a full-time position in that grade level, the position shall go to the more senior employee. If they have equal seniority, the tie will be broken by drawing of lots. If the employee entitled to the position does not want the position, it will then be offered

to the other employee. The employee not receiving the position shall be considered of lay-off status if unable to transfer to another position. If both employees agree, they may continue in the job share position, with administrator approval, until one is able to transfer to another position.

This language does not guarantee job share employees any additional rights under Lay-Off provisions and the Assignments, Transfers, Selective Employment Courses, or Job Sharing provision.

8. Length of Job Sharing: Employees wishing to discontinue the job share position for the next school year shall notify the District in writing by March 15, with the approval of the administrators and teachers involved.
9. Contingency: If, for some reason (e.g., illness, accident or resignation), one member of a job-sharing team is unable to complete the year or will be absent for a prolonged time, the other member of the team will be given the option of returning to a full-time position without jeopardizing future job-sharing continuation for the following year.
10. Appeal: Any administrative decision relating to the above job-sharing conditions may be appealed to the Personnel Director.
