Gayle Dupree – 2nd Grade Teacher
Mike Milner – Middle school Math & Science Teacher
Amy Davlin- PTSA President
Amy Lyons- Superintendent
Debbie Wilhelm- SAAC President/Athletic Director
Peggy Whiteman- Board Member (replacing Janie Hoover)
Brenna Morlan- DAAC Secretary
Bill Hessford- Elementary School Assistant Principal
Amy Miglinas- High School Counselor
Diane Sallinger- Elementary School Principal

Building Update:

- Construction has been less disruptive than it was thought it would be
- President's day weekend a whole wing & new entry will be used.

Miscellaneous:

- Principal Search//Looking for help from committees. Hoping for 2 new Principals to be on board for goal planning.
- No New SAAC info

Elementary Update:

- Dibble Assessment almost finished
 - Showing growth in reading
- Galileo Math Assessment finished
 - Now looking at growth
- Next 2 weeks will be looking at mid-year review & this focus will involve kids as well

Middle School Update:

- Beginning Galileo Test
- Students writing goals for mid-year assessments to take a look at their current level to find a realistic goal
- Taking Math test today
- EOA & Science is next week

High School Update:

- The Conservation Café had 30 attendees on social media
- Next discussion is team depression with pediatric partners
- Looking for grants to help with suicide prevention
- Working on schedules/ College applications
- Looking at ELA & Math Conversations
- Presenting a change in graduation & bell times to the board soon
- Celebrating State Champion Dance Team!
- Testing on Galileo
 - The Galileo process is getting smoother the more it is used

Superintendent Update:

- Math diagnostic review with Generation Schools
 - Grant was offered to us from Generation Schools which will allow to do professional development for Teachers if grant money is received
 - Review being worked on Monday & Tuesday. After review, collaboration to be done on what's needed so everyone is on the same page
- Concentrating on Social & Emotional learning as our county is considered high risk.
 - Staff training
 - Social Media screening of "Screenagers" which is a documentary of family that uses technology/social media & its effects.
 - Middle school only will watch but Monday night community members can watch.
- Calendar Models
 - Looking at different calendar models that will be shared at the next meeting
- Principal Search
 - Memo sent to Teachers
 - Also looking for interviewees for the interview committee

PTSA Input:

- Color Run
 - Trying to get sponsors
 - Getting LPEA to drop the colors for them

Next Meeting is March 22nd at 8am at Community Banks of Colorado
