PHYSICAL EDUCATION AND ACTIVITY

Definitions

Physical education is a sequential educational program that teaches students to understand and participate in regular physical activity for developing and maintaining physical fitness throughout their lifetimes, understand and improve their motor skills, enjoy using their skills and knowledge to establish a healthy lifestyle, and understand how their bodies work.

Instructional Time

Instruction in physical education shall be provided for a total period of time of not less than 200 minutes each 10 school days. (Education Code 51210, 51223)

Physical Fitness Testing

During the annual assessment window between the months of February through May, students in grades 5, 7, and 9 shall be administered the physical fitness test designated by the State Board of Education. (Education Code 60800; 5 CCR 1041)

(cf. 6162.5 - Student Assessment)

The Superintendent or designee may provide a make-up date for students who are unable to take the test based on absence or temporary physical restriction or limitations, such as students recovering from illness or injury. (5 CCR 1043)

On or before November 1 of each school year, the Superintendent may designate an employee to serve as the district's physical fitness test coordinator and so notify the test contractor. The test coordinator shall serve as the liaison between the district and California Department of Education for all matters related to the physical fitness test. His/her duties shall be those specified in 5 CCR 1043.4, including, but not limited to, overseeing the administration of the test and the collection and return of all test data to the test contractor. (5 CCR 1043.4)

(cf. 5125 - Student Records)

The Superintendent or designee shall report the aggregate results of the physical fitness testing in the annual school accountability report card required by Education Code 33126 and 35256. (Education Code 60800)

(cf. 0510 - School Accountability Report Card)
