

State of Hawaii Department of Education

Required Immunizations for Kindergarten to Grade 12

- DTap/DTP/Td
- Polio
- MMR
- Hepatitis B
- Varicella

All immunizations must meet minimum age and interval requirements between vaccine doses.

For more information visit State of Hawaii Department of Health Disease Outbreak Control Division.

Immunization exemptions – Children may be exempt from immunization requirements for medical or religious reasons, if the appropriate documentation is presented to the school. Religious exemption forms may be completed at the school that your child will attend. Medical exemptions must be obtained from your child's doctor. No other exemptions are allowed by the State.
