- I. Review of Academic Needs Survey given to all teachers
  - a. The majority of requests involve technology and math resources, including the possibility of hiring a part-time aid to help with math. Requests also include science and math manipulatives and resources to implement the common core.
  - b. Discussed current technology available in the school including classroom computers, the installation of the second computer lab, and classrooms that currently have Smart boards, Promethean boards and/or sound systems.
- II. Report from Mr. Spindler regarding recess during the winter. Recess will be cancelled if there is red air quality or the temperature is below 19 degrees F. It was determined that this will be added to the school handbook.
- III. The next meeting was scheduled for February 4<sup>th</sup>, 2014 at 4 p.m.
