

According to a news story by CNN (Nov 3, 2015) *Teens spend 9 hours a day using digital media*. Kids today are surrounded by technology, they can text, search the internet & take those crazy selfies. Kids spend hours in front of tablets, computers, and gaming consoles. **Join Detective Bryan Brown from the Evansville Police Department & Psychologist Dr Jim Schroeder PHD to learn:**
How to protect your kids in the

DIGITAL AGE!
