Character Counts!

Our May character trait is: Perseverance

Perseverance

Perseverance is the quality of continuing to do something even though it is difficult. Students from each room will be awarded for our last trait, COURAGE. Please talk with your students about this trait. flier will give specific dates and information about the show.

Sixth Grade Promotion

Our sixth grade promotion ceremony will be on **June 15th** at 8:45 in the cafeteria. This is our time to honor our sixth grade students as they move on to their next chapter – middle school! We hope you are able to join us for this exciting occasion. Sixth grade parents – please look for additional fliers regarding details about the event.

Staff Appreciation Week

May 1-5 is when we honor the Glenwood staff for all of their hard work! It would be wonderful if you took a moment to thank a staff member for helping Glenwood to be great! We

love working with your children and watching them grow into great Glenwood Gators!

Library

Please make sure that your child's library books are returned to the school by May 26th. Our librarian, Mrs. Henry, must take the last weeks of school to inventory our books and ensure that we have them all back on our shelves. If you are missing a library book and unable to find it, please contact the school for lost book payment.

Mid-trimester reports will go home on Tuesday, May 9th. Please check your child's backpack for this important information regarding their academic performance.

CAASPP Testing

We begin the CAASPP test for the month of May. Students in grades 3-6 test one day a week until the end of May. Please take some time to discuss the test with your child. We encourage children to:

- Take their time on the test. It is untimed.
- Go back and check their work. They have the opportunity to do so.
- Make sure your child has a healthy breakfast and arrives at school on time.
