

# Art Supplies

Mrs. Neu  
2017-2018

Welcome to Art!

Hello! I'm Mrs. Neu and I am excited to be teaching Art and Technology at Syring again next year. I've come to know these kiddos so well and am looking forward to another great year with them and with our new kindergartners!

Since purchasing all of the supplies necessary to create our masterpieces adds up fast, I am asking families to help contribute items to help out if possible. If you're able to send in items, our little artists would greatly appreciate it! Please label items that you send in with "Art Class" so classroom teachers know to pass the items onto me. Thanks for your support!

## Needed Supplies:

- Glue sticks (we use lots!)
- Black Sharpies (we love these!)
- Baby wipes
- Crayola-brand markers and/or colored pencils
- Paper plates (dinner or dessert size; not foam please)
- Kleenex
- White copy paper
- Plastic **bottle tops** from milk jugs or juice bottles (we like the colored ones)

## Art Class

Sometimes other items are needed for projects as they arise during the year. If you are willing to possibly donate items throughout the year, please return this slip with your child and I will add you to our email list. Thank you!
