

Union Academy Charter School
Dr. Ann Walters, Headmaster

I.T. Department:

**Option to Deny Adherence with Internet Safety and Acceptable Use Policy and
Opt Out of Union Academy Computer and Internet Access**

To Employee:

You have the right to opt out of adherence with the Union Academy Internet Safety and Acceptable Use Policy. In doing so, you are hereby notified that, by signing this notification, you will be denied access to all Union Academy computer, network, and Internet use. Denial of this use can be undermine and adversely affect your ability to complete your assigned duties as an employee. Such a decision should be reviewed with the Headmaster prior to opting out of the privilege to use the school computers, network and Internet.

If you still determine that you cannot abide by such policy and will not use the resources described in the form(s) above, please sign and return the form to the IT Director at Union Academy.

This opt out agreement will remain in effect as long as the staff member is employed at Union Academy, or until the employee submits a letter invoking permission for use of the Union Academy Network and Internet.

Employee Opt Out:

I have read the above Rules and Regulations regarding the Union Academy Network and understand that this access is designed for educational purposes only. However, I cannot accept full responsibility for my child's compliance with the above Rules and Regulations and, hereby, do not give my permission for my child to use the school computers, network, or Internet. In doing so, I understand that this will hinder my ability to complete my job responsibilities and meet requirements of my employment.
