School Rep: Dr. BERGMANN

Corporate Sponsorship Status: At this time the district is working on guidelines regarding corporate sponsorship. At this time it looks like the district is open to having corporate sponsorship. However, Dr. Bergmann would like insight on how we at a booster group would like to see this work. If possible, please present Dr. Bergmann with your ideas so he can present them to the district and school board. The next board meeting is on Dec. 13, 2016 and if possible he would like to present then.

Input on changing rules for voting for board members: In order for this to happen, TAB must get together with SMCAA and amend the bylaws. As it stands right now, it doesn't really state one way or another if boosters must join TAB. So in order to have it state that all members must join, TAB must sit down with SMCAA and have the by-laws amended to state this change. Birgit Castleman will contact Brian Gelt and get this meeting set-up.

School Rep: DR Morland

Winter Sports update: At this time we do not have a booster rep for the following sports. Boys and girls soccer, boys and girls wrestling, boys and girls golf. DR is in the process of contacting the coaches and seeing if they can provide this information. As soon as he has this information he will pass it along to the TAB board. Winter sports are gearing up for the season. They are in try-outs right now as we speak.

Completed Physician forms: Coaches have been given the information for physician forms that are now online. A player only needs a physical once a year no matter how many teams he/she may try out for. If coaches are in need of equipment Dr is asking that the paperwork gets filled out now. It takes awhile for things to get ordered and shipped out.

Right now the half of the upper field (above the football field) is being re-done. So all teams are aware of this when using for practice.

Treasurer: Patty Castreje

All minutes which will be posted online: Patty has given Eric all minutes from our TAB meetings and they have been posted online (our school website).

Infosnap information: The three groups that were missing money has been found and does not reflect on current budget. However, you will see it at our next meeting.

Secretary: Yvette Nikoui-Smith

Go over TAB roster: Yvette will be giving DR the TAB list with each booster reps name, position, number, and email. This will go online so if anyone would like to contact a specific team rep they now have the contact names.

President, Birgit Castleman
