

TROY SCHOOL DISTRICT
TROY, MICHIGAN

Dear Parents:

With school starting once again, your child will be participating in Physical Education classes in addition to regular classroom activities. For safety reasons, all children must wear gym shoes so that they may participate fully and safely in the Physical Education program. Please keep in mind that Physical Education classes naturally provide lots of movement activities. Appropriate clothing for these activities will lead to more enjoyment and comfort for your child.

In addition, we need to know of any physical handicaps, which might hinder your youngster's activity in these classes. Please answer the questionnaire below and return it to the school immediately. Your child will not be allowed to participate in Physical Education classes until the questionnaire is returned.

Respectfully,

Sarah Glasser, Principal
Principal

PLEASE DETACH AND RETURN BOTTOM HALF

1. Does your child have any physical handicaps or disorders which would limit him/her in Physical Education activities? (Examples: allergies, respiratory ailments, etc.) If so, please explain in detail how this problem will affect your child's participation.

2. Does your child wear glasses? Yes _____ No _____
Are they necessary for gym? Yes _____ No _____

Note: Eyeglass safety straps are recommended if your child wears glasses in gym.
