Engagement**

School Description

Seaside High School is located just off Highway One on the Monterey Peninsula in the City of Seaside. Incorporated in 1954, Seaside was developed primarily as a single-family community in the 1950's and 60's. Seaside's proximity to Fort Ord Army base and California State University Monterey Bay, its climate, and range of housing options have made the community a desirable place to live. Seaside overlooks Monterey Bay and has a current population of 34,095.

The mission of Seaside High School is to encourage lifelong learning, create a positive and quality educational environment, foster an atmosphere where culturally diverse groups can share their uniqueness, and provide students with the academic, social, and personal skills for success in a dynamic world.

Seaside High School is a proud member of the New Tech Network and has embarked on transforming learning for all students through project based learning. By offering technology integrated Project

Based Learning we are able to provide a 1:1 computing environment where laptop computers are utilized as a research and learning tool. Teachers focus on providing engaging projects centered on the Common Core Standards and connected to student's personal lives with real world applications. Students work in a collaborative learning environment to master each subject content and to improve their Communication, Aesthetics, Critical Thinking, Creativity and Collaboration skills. The school is in the second year of implementing Project-Based Learning. Students in grades 9, 10 and 11 all have a Chromebook that they utilize at school and home to engage in learning. By 2018-19, the program will be implemented schoolwide and deepened.

The curricula at Seaside High School are designed to satisfy University of California and California State University requirements and to meet the individual needs of each student. This can take the form of English Language Development, additional assistance in mathematics, or support in completing homework. Course offerings include English, calculus, Spanish, French, computer science, studio art, and U.S. history. Furthermore, students can elect to take specific classes at the Honors and Advanced Placement levels.

Our staff consists of highly qualified and dedicated professionals whose goal is to engage all students in learning and create a foundation for success in high school and for endeavors after graduation. Seaside High School's Schoolwide Instructional Focus (SIF) is based on highly effective strategies that are expected to be evidenced in each classroom.

The Seaside High School Faculty and staff have fully embraced the Professional Learning Community (PLC) model for delivering highly effective instruction to all students. Our faculty and staff work together weekly to share common instructional goals and to ask four important questions:

- What do we want each student to learn?
- How will we know when each student has learned it?
- How will we respond when a student experiences difficulty in learning?
- How will we respond when a student already knows it?

Below are additional programs offered at Seaside High School to meet the diverse needs of our students:

- **Link Crew - Student Leadership:** A Service Learning class designed to develop student leadership skills, increase a sense of community, improve school learning, improve school and social climates, and provide a successful transition into high school life for incoming freshmen.
- **Positive Behavioral Interventions and Supports (PBIS):** PBIS is a proactive way for school personnel to organize evidence-based practices, improve implementation of those practices, and maximize academic and social behavior outcomes for all students.
- **Scholar Athlete:** Scholar Athlete curriculum continues to develop from the initial purpose as an intervention class for struggling athletes. It is now a course in which scholar athletes set personal goals, explore college and career options, and develop study and work skills necessary for academic success.
- **Learning Center:** Originally developed as a support system for resource students mainstreamed into general education classes, the Learning Center has expanded its service base to include all students at Seaside High School. Regardless of special service designation, all students can use the Learning Center to receive academic support, a quiet testing environment, or work with their peers on special projects or assignments. Resource teachers continue to create opportunities for general education students and resource students to work together for academic success. The Learning Center's secondary outcome is creating access for all students and de-stigmatizing perceptions of support services and the traditional students who receive them.
- **Partnership with California State University Monterey Bay (CSUMB) Service Learning Institute (SLI):** SHS and CSUMB are working together to create opportunities for high school students to interact and learn from college students, and for college students to learn through service to the community and its youth. The CSUMB Service Learning Institute works with SHS students and teachers providing tutoring, small group and one-on-one instructional support within the general education and resource classroom setting, and help with college applications, personal statements and sharing college experiences.

Focus for Improvement

- Seaside High School's administrative team will continue to fully implement Professional Learning Communities (PLC) through the use of assessments that drive academic instruction and increase student achievement.
- Seaside High School's implementation of its Schoolwide Instructional Focus (SIF) of clearly stated objectives, rigorous curriculum, bell to bell instruction and evidence of lesson plan design will continue to allow both the administration and teachers to center on the instructional practices that work best with the diverse learning needs of our student population.
- In combination with PLC's, the implementation of the Schoolwide Instructional Focus has increased the amount of data-driven best practices being used by teachers.
- Seaside High School continues to offer support classes, both during the school day and after school, that are specifically designed to assist students in content areas related to language arts and mathematics.
- Failure is not an option at Seaside High School. Students with multiple failing grades are assigned to an after school support class called Seminar for Success. Students must raise their grades in order to be released from this class assignment.
- Seaside High School continues to provide ongoing professional development to staff in order to more effectively meet the academic needs of our identified subgroups, especially our English Learners.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	293
Grade 10	273
Grade 11	279
Grade 12	282
Total Enrollment	1,127

2016-17 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	7.7
American Indian or Alaska Native	0.2
Asian	3
Filipino	5.4
Hispanic or Latino	67
Native Hawaiian or Pacific Islander	2.9
White	10
Two or More Races	3.7
Socioeconomically Disadvantaged	74.5
English Learners	16.9
Students with Disabilities	12.9
Foster Youth	0.1

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Seaside High School	15-16	16-17	17-18
With Full Credential	45	47	47
Without Full Credential	3	2	3
Teaching Outside Subject Area of Competence	4	0	0
Monterey Peninsula Unified School District	15-16	16-17	17-18
With Full Credential	♦	♦	508
Without Full Credential	♦	♦	26
Teaching Outside Subject Area of Competence	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at this School

Seaside High School	15-16	16-17	17-18
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	2	1	1

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Monterey Peninsula Unified School District held a public hearing on August 2017, and determined that the school had sufficient and good quality textbooks and instructional materials, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in August 2017 about the quality, currency, and availability of the California Common Core standards-aligned textbooks and other instructional materials used at the school.

Textbooks and Instructional Materials	
Year and month in which data were collected: August 2017	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated. Over the last several years, MPUSD has invested resources into improving our school campuses. Many schools have received new flooring, paint and window coverings. The district continues to invest in its schools through the allocation of Measure P school facilities funding. Many projects are slated to be completed in 2017. Visit www.mpusd.net for details.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: June 2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces		X		A few classrooms have loose or missing ceiling tiles; there are some water stains on a few ceiling tiles and some classrooms have water damage to ceiling; a few areas have older and aging carpet where there are waves and pose a tripping hazard; torn wallpaper at entry; rubber molding missing; rust on railing; exposed wires and outlet covers missing; exhaust fan cover missing in gym
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	X			
Electrical: Electrical	X			
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X			Stall door rusted; door frame rusted
Safety: Fire Safety, Hazardous Materials	X			
Structural: Structural Damage, Roofs	X			
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			
Overall Rating	Exemplary	Good	Fair	Poor
		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	59	65	40	38	48	48
Math	31	31	27	27	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	39	39	45	43	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	14.2	8.8	11.1

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	300	215	71.7	39.1
Male	159	110	69.2	40.0
Female	141	105	74.5	38.1
Black or African American	25	17	68.0	29.4
Asian	12	7	58.3	71.4
Filipino	13	11	84.6	81.8
Hispanic or Latino	203	145	71.4	31.7
White	26	18	69.2	66.7
Two or More Races	12	10	83.3	50.0
Socioeconomically Disadvantaged	233	165	70.8	33.9
English Learners	48	18	37.5	11.1
Students with Disabilities	34	22	64.7	27.3

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	262	240	91.6	65.27
Male	128	118	92.19	60.17
Female	134	122	91.04	70.25
Black or African American	22	19	86.36	52.63
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	13	13	100	92.31
Hispanic or Latino	170	158	92.94	60.51
Native Hawaiian or Pacific Islander	--	--	--	--
White	24	18	75	77.78
Two or More Races	13	12	92.31	91.67
Socioeconomically Disadvantaged	191	173	90.58	64.16
English Learners	59	50	84.75	24.49
Students with Disabilities	28	21	75	19.05

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2016-17 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	262	237	90.46	30.8
Male	128	117	91.41	27.35
Female	134	120	89.55	34.17
Black or African American	22	19	86.36	26.32
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	13	12	92.31	66.67
Hispanic or Latino	170	159	93.53	25.16
Native Hawaiian or Pacific Islander	--	--	--	--
White	24	17	70.83	35.29
Two or More Races	13	11	84.62	36.36
Socioeconomically Disadvantaged	191	173	90.58	31.21
English Learners	59	54	91.53	7.41
Students with Disabilities	28	25	89.29	0

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents, community members, teachers, and students are invited to participate in school activities by joining the Parent Teacher Student Association (PTSA), the English Language Advisory Committee (ELAC); working with the School Beautification Committee; serving on the Academic Advisory Board; and running for election on the School Site Council (SSC). Volunteers plan and attend Sober Grad Night, participate on the Community Task Force, help to organize new student and parent orientations, participate in Back-to-School night, and help out at the school site in the office, library, and classrooms.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety and well being of students and staff are high priorities for the Monterey Peninsula Unified School District and this school. Under Senate Bill 187, every school in the district is required to complete (or review and update) a School Safety Plan by March 1 of each year. The plan is reviewed and evaluated by the School Safety Planning Committee, the School Site Council, and the school principal before being presented to the Board of Education for final review and adoption. The approved plans are posted on each school's website, as well as the district website at www.mpusd.net.

Highlight's of this school's plan are detailed below.

Each year, the school adopts and approves a Comprehensive School Safety Plan. The plan is reviewed by the School Site Council and submitted to the Monterey County Office of Education and State of California. This plan details how the school, staff and students will respond to emergencies.

Campus monitors are on duty before the beginning of school each day. Their duties include directing traffic and supervising the bus stop area. Seaside High School is a closed campus, and school personnel always direct traffic onto school grounds. We also have a Monterey County probation officer and school resource officer on campus daily. The safety plan is reviewed and revised yearly as we evaluate our processes and procedures.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	6.5	4.1	2.9
Expulsions Rate	0.0	0.0	0.0
District	2014-15	2015-16	2016-17
Suspensions Rate	4.6	4.5	3.6
Expulsions Rate	0.0	0.0	0.0
State	2014-15	2015-16	2016-17
Suspensions Rate	3.8	3.7	3.6
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program		
Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Teachers take time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Teachers at Seaside High School participate in a variety of conferences through out the year, including weekly Professional Learning Communities with their grade and subject level colleagues, AVID (Advancement via Individual Determination), and Advanced Placement training. The staff at Seaside High School also participate in monthly professional development as part of staff meetings, and districtwide professional development opportunities.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$43,149	\$46,511
Mid-Range Teacher Salary	\$63,205	\$73,293
Highest Teacher Salary	\$93,615	\$92,082
Average Principal Salary (ES)	\$100,554	\$113,263
Average Principal Salary (MS)	\$104,985	\$120,172
Average Principal Salary (HS)	\$114,261	\$131,203
Superintendent Salary	\$199,500	\$213,732
Percent of District Budget		
Teacher Salaries	32%	36%
Administrative Salaries	6%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

FY 2015-16 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$5,400	\$113	\$5,287	\$63,393
District	♦	♦	\$7,996	\$65,212
State	♦	♦	\$6,574	\$74,476
Percent Difference: School Site/District			-40.8	-2.8
Percent Difference: School Site/ State			-21.7	-16.1

* Cells with ♦ do not require data.

Types of Services Funded

A majority of funding reported as districtwide costs is expended for school level expenditures, therefore the results appear to be lower operating costs at the school site level.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)			
Seaside High School	2013-14	2014-15	2015-16
Dropout Rate	6.9	4.5	3.9
Graduation Rate	88.26	91.07	90.39
Monterey Peninsula Unified School	2013-14	2014-15	2015-16
Dropout Rate	8.2	3.8	3.9
Graduation Rate	88.72	92.84	93.77
California	2013-14	2014-15	2015-16
Dropout Rate	11.5	10.7	9.7
Graduation Rate	80.95	82.27	83.77

Career Technical Education Participation	
Measure	CTE Program Participation
Number of pupils participating in CTE	600
% of pupils completing a CTE program and earning a high school diploma	33%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	90%

Career Technical Education Programs

Seaside High School offers a variety of Career Technical Education courses that are focused on career preparation. The programs offered at Seaside High School include Culinary Arts, Emergency Medical Technician, Auto Shop, Mill Cabinet, and Administration of Justice.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
