

Larson Homework Help Club Guidelines

1. This is a pay-to-participate club. Students attending must have this parent permission form on file and have completed the PaySchools process.
2. Students must bring homework to complete – that’s the name of the club! A book to read is fine, too.
3. Technology is limited to school issued I pads and computers for school assignments only! No cell phones or games are allowed.
4. Once a student arrives to HHC, they must stay there! Exceptions will be made if a student needs to be picked up prior to 3:30 pm.
5. Students attending the club need to be picked up promptly at 3:30 pm, when supervision ends. Students will meet parents at the drop off area outside. Students that are not picked up promptly may not be able to attend HHC in the future.
6. While students may work in small groups, noise should be kept to a minimum to minimize distractions. To assist in this, students will be limited to 2 per table unless other arrangements are made with the supervisor.

I agree to follow the Homework Help Club guidelines listed above.
