**Empower Your Child with Self Defense, Safety Education and the ABC's of Conflict Avoidance**

All children and teens should learn safety, awareness, defense strategies, and non-violent conflict resolution skills. World Martial Arts Center is holding this comprehensive program that is a must for all children.

Student will be placed into classes according to age and ability. Classes will be twice per week with emphasis place in learning: Awareness skills that will enable the children to avoid potentially dangerous situation; Verbal skills that will enable student to "talk their way out" of a confrontational situation; and lastly age appropriate self-defense techniques and have **FUN** in the process! Best of all, the proceeds will benefit the Children's Hospital Foundation.

**Benefits of Martial Arts**

Self-Esteem. Self-Discipline. Respect for Self and Others. Concentration,. Improved Grades. Personal Responsibilities. Physical Fitness. Flexibility. Self Defense.
