Student/Parent Handbook Signature Page

My child(ren) and I have read and reviewed the **St. Joseph Catholic School Student/Parent Handbook** which is posted on the school website (www.sjscatholic.org). We understand the contents of the document and agree to abide by them. This document will be kept on file in the school office for the duration of my child's education at SJCS. The handbook will be updated by August of each year, and it is the responsibility of the family to familiarize yourself with the contents of the book.
