CHILD HEALTH & DISABILITY PREVENTION PROGRAM (CHDP)

For your child's protection, **STATE LAW REQUIRES** (H. & S.C. 321.2) that all children entering first grade have a complete physical examination. This exam may be obtained as much as 18 months prior to entering first grade.

What should your child's examination include?

- A complete medical, nutritional and developmental history
- A "head-to-toe" physical screening
- A dental check-up
- A growth and developmental assessment
- Urine, blood, vision and hearing screening tests
- Additional tests or exams, as needed
- Immunizations as needed

The examination, immunizations and necessary tests may be obtained from:

- Your child's personal physician
- Your pre-paid health plan

If your personal physician or pre-paid medical plan is performing the physical for first grade entry, be sure that the necessary certificate is completed at the time of the examination. These forms are available from the school.
