Dear Parents,

The Diocese of Memphis now requires the completion of the online Defensive Driving course for all volunteer drivers. You only have to watch this once. You are able to self-register to complete the Defensive Driving course.

This training is available free and can be easily accessed when it is most convenient for you. The course takes less than 20 minutes to complete and must be completed all at once. <https://cmgconnect.org/>

You will need to provide a copy of:

- valid driver's license
- valid proof of car insurance card

Be sure to print your certificate of completion to turn in with your driver's license and proof of insurance.

VIRTUS training is still required for all of our volunteers working with our students. You can go to www.VIRTUS.org for training times and locations.

If you have taken VIRTUS training but do not have a certificate on file with Debbie Farler, you can contact the Diocese at 901-373-1200 to get a copy.

If you have any questions, don't hesitate to contact Debbie.Farler@sfawolves.org.

Thank you,

Debbie Farler
