

Woodland Middle School at Euharlee

1061 Euharlee Road Euharlee, GA 30145 (770) 606-5871

“We’re Meeting Standards Every day.”

Michael Blankenship
Principal

Hope McCauley
Ryan Satterfield
Assistant Principals

Upon signing and returning the BCSS Student Laptop and Financial Responsibility Agreement Form, each student will be issued a computer, charging cable, and a carrying bag with vinyl ID tag. Students are responsible for taking care of *all parts* of the school-issued equipment. Replacement cost for damaged/lost computers is covered in the Laptop Agreement Form.

In addition, should the charging cable or carrying case become damaged or lost, replacement costs are as follows:

Charging Cable- \$40

Carrying Case- \$15

Vinyl Nametag- \$1

Middle school students who wish to take computers home may do so at no additional cost. Because the laptops must be charged every night, *WMS will provide a charging station in homeroom classrooms only for students who choose not to take computers home*. So that we can prepare these charging carts, we ask that you indicate below if you would like for your child to take the computer home each night. (In making this decision, please be assured that teachers will not assign homework that requires the use of school-issued laptops.)

_____ My child will leave his/her computer at school. The charging cable will not be issued to my child. His/her laptop will be charged nightly and secured in homeroom classroom.

_____ My child will take his/her computer home every day. Please issue him/her the charging cable and we will keep it at home. I understand that we are responsible for charging the computer nightly, and the cable should not be carried back and forth to school. I also understand that my child will be required to bring his/her fully-charged laptop to school every day.

Student Name _____ Homeroom Teacher _____

Parent Signature _____

**If you have questions regarding computer policies or procedures, please contact your child’s homeroom teacher.
