Principal's Message

Harvest Park received the distinction of a California Distinguished Middle School in 2013. We are proud that we continue to make progress towards narrowing the Achievement Gap. Our high performance can be attributed to staff development in standards alignment, Professional Learning Communities (PLCs), Character Education, our highly qualified staff, very supportive parents and hardworking students. The staff and community at Harvest Park Middle School strive to maximize dynamic opportunities while continuing to have the highest expectations for achievement and personal growth for its students. We are proud of the quality programs that we are able to offer our students and welcome the comments of parents as we engage in the continual process to improve those programs. At Harvest Park, it is evident that, "Kids Come First."

Mission Statement

Kids Come First at Harvest Park Middle School where teachers, students, staff and community collaborate to educate the whole child.

Vision Statement

Harvest Park Middle School will continue to build on its tradition of providing a smooth transition from elementary to high school. Our supportive school community will guide students to become lifelong, self-motivated learners and leaders who are productive, responsible members of society. The unique needs of our students will be addressed by a wide variety of innovative programs and teaching styles. As a learning community we are committed to developing the whole child by providing a safe environment focusing on academics, arts, attitude, athletics, and activities. The highest expectations for academic success, technological expertise, and moral and civic responsibility will be required of our students as our standards-based curricula prepare them to compete and thrive in a diverse and changing global society.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Instructional Materials

All textbooks used in the core curriculum at Harvest Park Middle School are currently being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 13, 2015, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 2015-2016.05 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2015-16 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Harvest Park Middle School's original facilities were built in 1968; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Replaced concrete walk at preschool.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and three evening custodians are assigned to Harvest Park Middle School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Event setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Harvest Park Middle School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

Facilities Inspection

The district's maintenance department inspects Harvest Park Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). Harvest Park Middle School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on December 22, 2015. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2015-16, all restrooms were fully functional and available for student use.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through flyers, school newsletters, the school marquee, the school website, teacher websites, eConnection, Coffee with the Principal, and weekly electronic newsletters. Contact the school office at (925) 426-4444 for more information on how to become involved in your child's learning environment.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed for Harvest Park Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff in November 2015.

Professional Development provided for Teachers

Staff Development

All training and curriculum development activities at Harvest Park Middle School revolve around the Common Core State Standards. During the 2015-16 school year, Harvest Park Middle School held staff development devoted to:

- Data Analysis
- Instructional Strategies with a focus on increasing verbal engagement
- Interventions
- Classroom Management
- Motivating Students
- Student Stress
- Professional Learning Communities (PLC)
- Vocabulary
- Technology and Blended Learning
- AVID (Advancement Via Individual Determination)
- Achievement Gap Service Learning and Beyond
- Character Education Training
- Common Core Assessment
- s Common Core State Standards

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Harvest Park Middle School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2015-16 school year, Harvest Park Middle School's teachers attended the following events hosted by the Pleasanton Unified School District:

- SMART Boards
- Bridging the Achievement Gap Using SMART Technologies and Treasures/Tesoros
- Implementing iCommunication in the Classroom
- Special Education Job Alike
- Getting Started with Google Sites
- Technical Writing for Science Class
- Greater Good Summer Institute for Educators
- Learning Circles Seminar Series
- CHSSP (California History/Social Studies Project)
- Google in Education California Summit
- Universal Design for Learning (UDL) and the Common Core Standards
- IntegratED Conference - Improving Education with Technology

- World Language Collaboration
- Math Articulation from Middle to High School

- Standards of Mathematical Practice

Harvest Park Middle School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
