## I DATA AND ACCESS

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2017-18)

Bernal Intermediate School prepares students for the academic, social, and behavioral rigors of high school. Through a combination of clear expectations, targeted instruction, and responsive supports, all students leave Bernal ready to excel at the next level of their life. Bernal Intermediate School ensures teaching and learning occur in safe environments that support the socio-emotional needs of students and adults. Schools, home and community share responsibility for student success through proactive communication and respected “voice” for all stakeholders. At Bernal, teachers and staff maintain high expectations around the belief that all students can, and will, meet and exceed academic and behavioral standards, given the right supports. Teachers and staff engage in year round inter-disciplinary teams with clear standards of professional practice, monitoring, and accountability. Teachers and staff support each other around instruction and school climate. All students will have access to rigorous curriculum and assessments that are directly aligned to the standards. Instruction uses students’ prior knowledge, learning styles, and cultural background.

## A. CONDITIONS OF LEARNING

### STATE PRIORITY: BASIC

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## Teacher Credentials

Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

NOTE: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Month and year in which data were collected: September 2017

Subject	Textbooks and instructional materials/year of adoption	From most recent adoption?	% Students lacking own assigned copy
Reading/Language Arts	Adopted in 2014/excellent quality/one per student	Engage New York	0%
Mathematics	Adopted in 2014/excellent quality/one per student	Engage New York at TK-6 College Preparatory Math at 7-8	0%

## School Facility Conditions and Planned Improvements

As per the Williams' settlement, all Oak Grove schools are maintained in a manner that assures a clean, safe, and functional site as determined by periodic evaluation.

Measure P: On November 4, 2014 the voters in Oak Grove School District approved the issuance of Measure P. Measure P authorized the issuance of \$89.8 million in bonds to benefit the Oak Grove School District. The funds are meant to be used to renovate, repair, acquire, construct and modernize classrooms and facilities, and increase student access to computers and technology.

During the summer of 2015, 2016 and 2017, ten school sites (Anderson, Bernal, Davis, Del Roble, Edenvale, Oakridge, Parkview, Herman, Hayes and Sakamoto), had over approximately 38 million dollars of HVAC and Roofing renovations completed.

After the successful completion of the Measure Q Bond program, the Oak Grove community approved Measure S in November 2008 that authorized an additional \$125 million General Obligation Bond to continue needed school modernization projects, construct two new intermediate school gymnasiums, and consider solar technology systems throughout the district. Combined with local Routine Repair funds and State Deferred Maintenance funds, future facility improvements will insure that critical services continue to be provided for our students for years to come.

## School Facility Good Repair Status

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The Overall Rating

Month and year in which data were collected: January 2017

## B. PUPIL OUTCOMES

### STATE PRIORITY: PUPIL ACHIEVEMENT

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/ Literacy (grades 3-8 and 11)	59%	60%	50%	50%	48%	48%
Mathematics (grades 3-8 and 11)	54%	50%	42%	42%	36%	37%

NOTE: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016–17)

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	766	744	97.13%	60.24%
Male	391	379	96.93%	55.03%
Female	375	365	97.33%	65.66%
Black or African American	34	34	100.00%	52.94%
American Indian or Alaska Native	--	--	--	--
Asian	228	222	97.37%	82.43%
Filipino	42	42	100.00%	69.05%
Hispanic or Latino	295	282	95.59%	38.21%
Native Hawaiian or Pacific Islander	--	--	--	--
White	140	137	97.86%	69.34%
Two or More Races	18	18	100.00%	61.11%
Socioeconomically Disadvantaged	268	257	95.90%	42.97%
English Learners	165	154	93.33%	37.66%
Students with Disabilities	82	76	92.68%	8.11%
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

NOTE: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

NOTE: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

NOTE: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	766	747	97.52%	49.53%

Students with Disabilities	82	73	89.02%	4.17%
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

NOTE: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

NOTE: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

NOTE: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

Subject	Percentage of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	83%	75%	56%	55%	56%	54%

### STATE PRIORITY: OTHER PUPIL OUTCOMES

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education.

### California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
7	15.20%	21.60%	37.60%

NOTE: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. ENGAGEMENT

### STATE PRIORITY: PARENTAL INVOLVEMENT

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement - (School Year 2017-18)

Parents have the opportunity to be involved in the education of their children in a variety of ways including the following:

- Home & School Association
- School Site Council
- Hispanic Parent Meetings/ELAC
- African American Parent Koffee Klatch
- Scholastic Book Fair and Book Club
- District Advisory Committee

**STATE PRIORITY: SCHOOL CLIMATE**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Rate*	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

## School Safety Plan – Most Recent Year

Providing a safe school is a high priority for Bernal School. To this end, there are continuous improvement processes and collaborative efforts that provide comprehensive health education and a strong academic foundation within a safe and secure learning environment that ensures success for all students.

Prevention education at Bernal includes supplemental programs and policies including Positive Behavior Intervention System (PBIS), conflict resolution, conflict/peer mediation, positive discipline, refusal training for students and parents for drugs, gangs, alcohol, substance abuse, bullying, harassment, cyberbullying, and graffiti, tobacco prevention education, Developmental Assets, Santa Clara County's Project Cornerstone, and the Wellness Policy including physical and nutritional education.

For the 2017-2018 school year, Bernal has implemented HERO to help meet its school climate goals. Hero is a cloud-based management solution that allows schools and districts the opportunity to monitor forms of student behaviors, document and recognize positive student actions, track student attendance at school events, and assist teachers with classroom management. The Hero software platform will focus on enhancing PBIS systems at the school level to help achieve goals for improving climate and culture, including increasing the ease of school to home communication and notification. For example, staff will have the ability to walk the school campus and use a mobile device to instantly reward students for target behaviors, using our previously established reward system that focuses on acknowledging specific positive social and academic student RISE behaviors. Hero provides remote and onsite support for desktop application, mobile devices, and software tools specific to the product. The use of this software will be aligned with school-based reward and recognition programs described in the PBIS plan for a more efficient analysis of the outcomes. Hero is designed to reinforce desired learning behaviors and improve the overall quality of the learning experience where:

- Students are provided opportunities for immediate reinforcement of desired behaviors, both in the classroom and in common areas, to encourage their positive behaviors and mitigate their not-so-good habits.
- Instructional staff are given the tools they need to enhance their partnership in the immediate reinforcement of positive behaviors for all students.
- Administrators are given the tools to identify and support differentiated strategies for top-performing students and those who may need additional intervention.

Attendance is closely monitored and students with unexcused absences of 10% or more receive law/school district/partnership intervention. Truancy abatement is a common goal of the school/district and other agency collaborative partnerships. Currently Bernal has instituted an Attendance Incentive Program, which targets attendance and tardies.

In order to reduce the number of incidents of bullying and harassment among students and to ensure that students feel neither intimidated nor threatened by bullying or harassment, Bernal has an ongoing program that specifically addresses issues of race, ethnicity, gender, sexual orientation, perceived sexual orientation, and perceptions which commonly surface in bullying/harassment incidents. Bernal has partnered with Santa Clara County's Project Cornerstone, which focuses on developing the forty-one developmental assets that help children thrive.

We also have ongoing classroom instruction and use social settings inside and outside the classroom to focus on the life skills of empathy, anger management, and problem solving. Advisory sessions weekly offered through our teaching staff provided students with opportunities to develop goals, responsibility and high expectations in the middle school setting.

Each year staff is educated, trained, and practices the concepts of the National Emergency Management System which includes fire drills, earthquake evacuation, first aid procedures, communicable disease action plan, and emergency evacuation maps. Each year the school conducts Code Red Drill to prepare students and staff in the event that intruders are on campus presenting a dangerous situation.

We balance the school discipline plan with positive incentives, as well as appropriate alternative consequence plans. School-wide rules are posted in each classroom. Positive incentives are offered for positive behavior/attitude, good attendance, positive wellness, and academics. Alternatives reviewed as options to positive discipline include campus clean-up, campus projects, incentives, community services, behavior plans/contracts, Friday School, site or off-site group or individual counseling, and/or alternative placements.

We strive to improve the system of publications to students, staff, and community which will include or focus on student awards/recognition, rewards, school activities, achievements, acknowledgments, and announcements.

## D. OTHER SARC INFORMATION

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status	No	In PI
First Year of Program Improvement	N/A	2008-2009
Year in Program Improvement*	N/A	Year 3

## Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Bernal provides extensive training for teachers in the implementation of standards, development of effective assessment, and understanding the Closing the Achievement Gap Plan. Teachers have implemented the Cycle of Inquiry Process where they meet on a bimonthly basis to examine student work. This provides teachers an opportunity to improve their teaching practice. There are numerous opportunities for participation in district in-services, out-of-district conferences, workshops, and committees. We have a leadership team (Continuous Improvement/Equity Team) that leads site staff development around analyzing student work, developing effective strategies for the classroom, and using department time to improve instruction. The Bernal staff has four days of professional development in August, January, May, and June. We also adjust the schedule on Wednesdays to provide one hour of professional development or department planning time weekly.
