**EXIT CLEARANCE FORM FOR
INDUSTRIAL ACCIDENT/INJURY**

It is the company's policy to report industrial accidents and injuries to our worker's compensation insurance company on a timely basis. Therefore, if you have had an industrial (work-related) injury and have not previously reported it, please advise us now so that we can fulfill our obligation.

The law requires that you report all injuries to us immediately. **PLEASE NOTE** that any medical treatment you receive prior to our being notified of any injury may not be paid for by our insurance company and you could be responsible for all of the bills.

- Yes, I have an injury to report.
- No, I do not have an industrial injury to report. Furthermore, I hereby state that I am presently not disabled nor in need of treatment due to an occupational injury and certify that I have reported all work-related injuries to you.
