Medication Administration

Allergies: _____

Non-prescription Medication Administration:

Students may carry and self-administer non-prescription medication. They must not share their medication with other students. Medication must be carried in its original packaging. CSEC nurses will not give non-prescription medications to students unless permission to administer the medication is authorized by the parent/guardian. (Below) The school nurse is the only staff member who can give non-prescription medication on an as needed basis.

The parent/guardian of _____ gives permission to the CSEC school nurse to
(Name of Child)

Administer the following medication(s), according to manufacturer directions as needed by the student and evaluated by the nurse, not more than every 4 hours.

Circle all that apply: Acetaminophen (Tylenol) Ibuprofen (Advil) Naproxen (Aleve) Antacid (Tums)

It is understood that the medication is administered solely at the request of and as an accommodation to the undersigned parent/guardian. In consideration of the acceptance of the request to perform this service by and person employed by Colorado Springs Early Colleges, the undersigned parent/guardian hereby agrees to release Colorado Springs Early Colleges and its personnel from any legal claim which they now have or may hereafter have arising out of the administration of or failure to administer medication to the student.
