

## Rosalynn Carter

To Dan Horn, Carlos Dominguez,  
and the student group who came  
from St. Genevieve to Plains,

It was a great birthday  
celebration! I can't thank you  
enough for the wonderful performance  
and what they meant to our commu-  
nity. We called on you so much,  
and you were unwavering in  
responding - including filling a <sup>big</sup> gap  
at church on Sunday when we  
had such a huge crowd.

The timing was perfect. You  
were here when our family and  
our whole community needed a  
boost so soon after Jimmy's announce-  
ment about his health problems.

Our church thanks you, I  
thank you, and our whole  
community is still talking  
about how you lifted our  
spirits.

With my very best  
wishes,

Sincerely,

Rosalyn Carter
