Find the school you would like to add by choosing your state then district from the drop down menus. The school list will populate below. Highlight the school you wish to add and click Add School(s).

Will my email address be shared or used for other purposes?

As a contract service provider to school districts, Peachjar never shares your email address or uses it for any purpose other than the distribution of school/district-approved communication.

Will I receive flyers that have not been approved by my school?

No. Peachjar only distributes flyers that have been approved by your school and/or district office.

How often will I receive flyers?

The default flyer delivery frequency is set to Daily. This means a flyer will be sent within 24 hours of it being posted. To change your delivery frequency, please log in to your Peachjar account. Click "My Account" on the top then "Notification Preferences" on the left. From there, you will have a drop down menu to select your preference.

I want to receive digital flyers but nothing is being sent to me. How can I register?

[Register](#) for an account on Peachjar to start receiving digital flyers from your school today!

When I went to register, it said I already have an account. How is that possible?

Peachjar and your school district have teamed up to create an account for you, so no action is required on your part unless your school has informed you otherwise. You will receive an email from Peachjar with your username and password when your school begins using Peachjar.

If your school has already started using Peachjar, you can [password your password](#) as described under 'Why can't I log in?'

You can also try searching 'school@peachjar.com' in your email account to locate the email and sign in to your account.
