## School Accountability Report Card

### Reported Using Data from the 2015-16 School Year

### Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-17)

---

San Marino is an elementary school that provides services to students from very diverse backgrounds in grades pre-school through sixth, including four Special Day Classes (SDC). The San Marino School attendance area covers portions of Buena Park, Anaheim, and Cypress. The school staff is committed to providing an exemplary school experience to each of its students. Students at San Marino come from socio-economically diverse homes.

San Marino is a school where academic achievement and student conduct is the yardstick by which success is measured. We use data to drive our academic decisions with a focus on reading, math, writing and character development. Teachers work collaboratively to ensure the success for all students. They engage students in learning by making the curriculum rigorous and relevant by providing high quality grade level instruction. San Marino School prides itself on data driven decision making by providing early intervention, small group instruction based on assessment data from a variety of sources both formal and informal. A Media Center/Computer Lab and Learning Center provide additional educational opportunities for our students.

San Marino School, in partnership with the community, is dedicated to producing self-directed lifelong learners who master academic skills through a comprehensive curriculum which challenges the learner's creative ideas, talents and interests in an environment of cooperative spirit, positive attitude and mutual respect. San Marino is committed to meeting the needs of all students through explicit direct instruction including differentiated instruction.

With input from the School Site Council, ELAC, PTA, and Teacher Leadership Team, the school continues to implement the district's model for a comprehensive school based plan that focuses on measurable objectives that capture student achievement while building on an analysis of previous year's data. Our curriculum and instructional focus for the next few years will be directed toward the implementation of California Common Core Standards to help our students become college and career ready through increased skills in critical thinking and problem solving, communication, collaboration, creativity and innovation.

#### Mission and Vision Statement

Our mission is to encourage, inspire, and support students as they develop the skills to be self-directed, life-long learners and contributing members of the community within an atmosphere of respect and integrity.

#### Core Values

Integrity - Always doing what's right even when no one is looking

Excellence - Always striving and persevering to do better

Teamwork - Working together with the best interest of the whole group in mind

Leadership - Building qualities that inspire others and leading by example

Equality - Providing an equitable access of opportunity, resources, content, tools, and respect to ALL

#### Goals/Vision

##### Comprehensive Curriculum

San Marino Elementary School prides themselves in providing rigorous, standards-based curriculum for ALL learners.

##### Engaging Instruction

San Marino Elementary School seeks and implements engaging and innovative instruction for the 21st Century Learner.

##### Compassionate School Culture

San Marino Elementary School promotes and creates productive, compassionate relationships within our school community.

### Safe and Secure Environment

San Marino Elementary provides a safe and secure learning environment in which students can learn and prosper.

### Support All Learners

San Marino Elementary is dedicated to supporting ALL students through equal access to materials and resources.

### Unified Cooperative School Community

San Marino Elementary School seeks the active participation of parents, staff, and local community members to build cooperative relationships.

San Marino's Mission and Vision along with its Core Values are in alignment with the overarching Mission and Vision of Centralia School District. San Marino School is committed to meeting the diverse needs of all students and creating lifelong learners by providing exceptional staff and opportunities for family and community involvement in a safe and nurturing environment.

San Marino will be a school where academic achievement and student conduct is the yardstick by which success is measured. We believe in data-driven decision making, professional development, and small learning communities. By supporting student learning with effective research-based strategies, building academic success, and creating a college and career-ready environment, we will develop and sustain a culture of success for our students, families, and community. We will continue to work hard to provide equitable, student-centered learning opportunities which positively impact our students.

San Marino is committed to providing quality classroom instruction by highly-trained personnel. We will engage students in learning by making the curriculum relevant and providing culturally inclusive materials in day-to-day instruction. We will continue to assess our plan and strategies to determine what works and refine our plan based on common data so that we can provide high-quality education for our students as we prepare them to be lifelong learners ready for college and careers.

### Recent School Accomplishments:

There is no single practice that makes San Marino the wonderful educational facility that it is. We have excellent, thoughtful, caring teachers who are continually striving to improve their instructional practice. We hold our students, as well as ourselves, to a high level of expectation for our academic success. We continue to refine our practices, knowing that we live in a changing world and need to adapt quickly if we want to keep up and give our students every chance to be successful. It is the understanding that we are the best hope for our students in achieving this success that keeps us motivated and makes San Marino an outstanding school and the recipient of the California Gold Ribbon School 2016, California Distinguished School Award in 2010 and 2014, California Business for Education Excellence Honor Roll School, 2012, 2013, 2014; and Title 1 Academic Achievement Award in 2005, 2006, and 2010, and 2016.

### Awards

California Gold Ribbon School 2016

California Distinguished School, 2010, 2014

California Business for Education Excellence Honor Roll School, 2011, 2012, 2013, 2014, 2015

Title 1 Academic Achievement Award, 2005, 2006, 2010, 2016

San Marino is proud of its excellence in academic achievement. We believe that the success of our school directly correlates to increased parent involvement, students who are motivated to learn intrinsically and extrinsically, and a dedicated and highly skilled team of certificated and classified staff.

A School-Wide Positive Behavior Intervention System (PBIS) program has long been established at San Marino. The program focuses on the 6 B's - Be on time, Be dressed for success, Be respectful, Be responsible, Be safe, and Be prepared to learn (or RAMS). This program has tremendous staff and parent support, and focuses on reinforcing positive behavior and teaching appropriate behavior along with social skills.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: December 2015

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 09/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ELD instructional materials in November, 2015 and will direct our pilot.

<b>Visual and Performing Arts</b>	There is no specific textbook adopted for VPA, however, materials used are aligned to the standards and incorporated into ELA instruction, as well as, into history social studies and science instruction. The district, in conjunction with the PTA, brings in the Art Maters Program to every school at different times of the year to conduct art participation and appreciation classes.  Centralia School District's Education Foundation enables school sites the opportunity to offer various types of instruction in the arts.		N/A

### School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great efforts to ensure that all schools are clean, safe and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

#### Age of School Buildings

San Marino School was built in 1965 and is located on 12.4 acres. There are 34 classrooms, as well as a multipurpose room, a media center and an office complex.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 224 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

**Cleaning Process and Schedule**

In the evenings and during the day, a team of two custodians ensures classrooms, restrooms and campus grounds are kept clean and safe. As responsible members of the community we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

**Deferred Maintenance Budget**

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

<b>Students with Disabilities</b>	15	15	100.0	66.7

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	16.4	21.8	17.3

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2016-17)

---

The Centralia School District welcomes and values parental involvement in District and school programs. During the 2014-15 school year, CESD continued the Local Control Accountability Plan (LCAP). This funding process requires school districts to engage parents, teacher, employee groups, and the wider community to be a part of the development of the LCAP. Informational meetings were held with various stakeholders including Board members, parents, PTAs, and advisory groups (SSC, ELAC, DELAC, GATE, etc.). An LCAP committee was formed that included representatives from each stakeholder group. The LCAP represents an opportunity to further strengthen the commitments between our District and our community on behalf of all students.

Many family and community members are active participants of the school as volunteers and as decision makers. Some of our many opportunities for parents to get involved include: District English Language Advisory Committee, District GATE Advisory Committee, School Site Council, English Language Advisory Committee, PTA, Family Nights, Parent/ Child Events, Book Fair, and much more. Our parents volunteer on a daily basis and work in the classrooms, office, and library. The PTA is very active and benefits the school and students by encouraging and organizing parent involvement, promoting student achievement, self-esteem and enriching the educational program through a variety of special programs, activities and services. San Marino School believes that parents are an integral part of our students' education and success and that together we enhance the possibilities for our students. San Marino School makes an effort to involve parents with a wide range of opportunities to interact with the school staff and support their child's academic efforts. Such activities include:

Back to School Night  
Open House  
Field Trip Chaperones  
Classroom and School Volunteers  
Principal Coffee Chats  
Parent Workshops  
PTA-Sponsored Activities  
Fall & Spring Conferences  
Family Nights/ Carnival  
Book Fairs  
Student Study Team Meetings  
IEP/ 504/ SST Meetings  
Family Booknics  
Talent Show  
Volunteer Tea  
Book Fairs  
Red Ribbon Week Activities  
Holiday/Founder's Day Program  
Trimester Awards Assemblies  
Meet the Masters Program  
Santa Shop  
Progress Reports & Report Cards  
Weekly Communication via phone, email and electronic marquee  
Friday Morning Assemblies

Parents have an opportunity to provide input about the instructional program via their participation in a variety of meetings/workshops including:

- Regularly scheduled School Site Council/ English Language Advisory Council (SSC/ ELAC) merged meetings
- District GATE Parent Advisory Council
- District DELAC meetings
- Principal Coffee Chats
- Parent Workshops

- LCAP Committee

These groups meet on a regular basis to share information, discuss school programs, evaluate performance data and provide input toward school-based decision making. The SSC/ ELAC oversees the development and implementation of the school's Parent Involvement Policy including categorical budgets. The SSC holds the final approval for the Safe School Action Plan.

For additional information about organized opportunities for parent involvement at San Marino Elementary, please contact Dr. Stacy Chang, principal at (714) 228-3280, or visit the school web site at <http://sm-centralia-ca.schoolloop.com>

**School Safety Plan (School Year 2016-17)**

Safety of students and staff is a primary concern of San Marino Elementary. The School Site Action Plan was developed by the Site Safety Committee and the School Site Council with input from the School Safety team. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2014-15 goals of our Safe School Action Plan include the following goals:

**COMPONENT ONE: PEOPLE AND PROGRAMS**

Goal 1: San Marino School’s climate shall reflect respect, tolerance and pride for diversity of culture, ethnicity, and philosophy. It is a place where students demonstrate strong academic progress, follow school rules and develop responsibility for their learning and respect for themselves and their school.

Goal 2: San Marino School’s climate shall provide an emotionally secure learning environment for all students.

**COMPONENT TWO: PHYSICAL ENVIRONMENT**

Goal 1: San Marino School provides a secure campus with careful monitoring and supervision of all areas to ensure student safety and adherence to rules.

Goal 2: San Marino School provides for the safety of students and staff through a well-planned and implemented crisis response plan.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. Fire evacuation drills are held monthly. The school maintains a Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

San Marino implements Positive Behavior and Intervention Support, a school-wide positive discipline plan that communicates high expectations for student behavior. Each student receives training on behavior expectations twice a year. At the beginning of the school year or upon entrance into the school, parents are provided with a detail description of the program. Students are expected to embrace the "RAMS" attributes (Respectful, Act Kindly, Make Responsible Choices and Safety Minded). Teachers teach, monitor, enforce and exhibit these attributes throughout the year. The school follows all District Board Policies including those pertaining to Safety, Suspension, Expulsion and Mandatory Expulsion and Sexual Harassment.

Date of Last Review/Update: January 2016

Date Last Reviewed with Staff: January 2015

The Centralia School District Board of Trustees reviews the School Safety Action Plan annually by March 1.
