Student and Family Privacy Rights

The Board of Trustees respects the rights of District students and their parents/guardians with regard to the privacy of their personal beliefs and the confidentiality of their personal information. The Superintendent or designee shall develop regulations to ensure compliance with law when the District requests, retains, discloses or otherwise uses the personal information of its students and their families.

Collection of Personal Information for Marketing Purposes

The Board of Trustees prohibits District staff from administering or distributing to students survey instruments that are designed for the purpose of collecting personal information for marketing or selling of that information.
