

Fairlands Technology Donations

2017-18 school year

Fairlands has an active Technology Committee made of staff members from each grade level. Each year, with donations from our parent community we are able to plan for the current school year and projections for the future.

With the recent passing of the bond measure i1 we will be able to receive some district funding for committee approved technology updates on a bigger scale. This will not cover our local needs for daily technology usage items such as ink cartridges, spare parts, printers, keyboards, mice, chrome book replacement parts, and online educational subscriptions.

We continue to need the support of our Fairlands families for \$50 per family to help purchase these tech items. Please contribute at walk through registration through the Fairlands Future Fund site <https://fairlands.futurefundapp.com/store/> Or you can write a check made out to PUSD and drop off at walk through on August 8th, 2017 or at the office anytime. We appreciate your support of our technology fund in the past.

Your donation is tax deductible.

Please make your checks payable to PUSD

tear off and fill in below

Or complete your donation online through PTA Future Fund

Student Name: _____

Grade _____ **Amount of Check** _____

Thank you for your Fairlands Technology donation. A tax-deductible receipt is available upon request at walk through.
