

# Highland Park Sports Medicine Info

The HP Sports Medicine Department uses online record keeping.

The UIL Pre-Participation Physical form needs to be completed on both sides and signed by a physician before being turned in to the Athletic office, Coach, or an athletic trainer. (Dated after May 1<sup>st</sup>, 2018)

There are six online forms that are required to be completed, signed, and submitted with an email address for a receipt. Paper copies are not accepted.

New students will be unable to access these (6) forms until they have been added by the Athletics office verifying enrollment and student ID. Students will receive an email once their physical form has been processed.
