

Utah Parent Survey

Every two years the Utah State Board of Education (USBE) reaches out to parents to get input on their child's special education program. It is important to the Summit Academy Support Services department that we do our best to make sure parents and students feel they are involved in the IEP process and that we remedy any concerns that there may be.

OUR GOAL: 80% of parents will Strongly Agree with each of the 12 questions asked on the Parent Survey by Spring 2019.
