

# Bentworth Middle School Student Assistance Program

To Parent/Guardian of: \_\_\_\_\_

Bentworth Middle School has a Student Assistance Program (SAP) to help students who having difficulty achieving academic success. The school has a trained team of staff members and other specialists/liaisons who come together to help student and their families deal with these obstacles to learning.

Your son/daughter has been brought to the attention of the SAP team, and we would like to create a plan of action to help him/her be more successful in school. In order to intervene, we and/or the liaisons need your consent to meet with him/her to provide assistance, information, support, and if needed, referral services.

Sincerely,

Student Assistance Program Case Manager
