SUBJECT: SUBMISSION OF QUESTIONS AND PROPOSITIONS AT ANNUAL ELECTIONS AND SPECIAL DISTRICT MEETINGS

The Board has the authority, under the Education Law, to adopt reasonable rules and regulations concerning the submission of petitions to the Board to place propositions on the ballot which may amend the budget. Pursuant to those provisions, the Board establishes the following guidelines:

1. Unless otherwise provided by the Education Law, petitions for the submission of a proposition must contain a minimum of 25 signatures of qualified voters of the district or 5 percent of the eligible voters who voted in the previous annual election of the members of the Board of Education, whichever is greater.
2. Petitions must be filed with the District Clerk at least 30 days prior to the annual election, except for petitions relating to a proposition which must be included in the notice of the annual election (e.g., changing the number of board members). Such petitions must be submitted 60 days in advance of the annual election to facilitate the preparation and printing of the ballots.
3. A separate petition shall be required for each question or proposition. Propositions must include the specific appropriations necessary for the purposes listed.
4. Wording of a petition must comply with legal requirements. If the wording does not comply, it may be changed or altered by the Board, or the Board may reject a petition for failure to comply.

Propositions received in accordance with these specifications will be placed on the ballot as amendments and will be voted upon by the voters in the same manner as the proposed budget, except that the Board shall not be required to place any proposition on the ballot which is within the exclusive province of the Board, or otherwise forbidden by law. No proposition involving the budget may be submitted to the voters more than twice within a twelve month period.

The Board may also, on its own motion, submit propositions.

The Board may call special meetings of the voters of the district whenever the Board deems it necessary and proper.

Questions or Propositions to be Submitted at Special District Meetings

The procedure for requesting the Board of Education to call a Special District Meeting to vote on a question or proposition shall be in accordance with subdivision 2 of Section 2008 of the Education Law.
