## POLICIES – PERMISSION AGREEMENT

Parents and teachers may look at children's learning from different perspectives, but they share a common goal: making sure that children receive the best possible education. Nothing is more vital in helping children develop positive learning habits and behavior than a strong home-school relationship. It takes extra effort on both sides to build strong partnerships. The policies, standards and expectations of South Hills Academy were established to enhance that partnership and may be found in the Student-Parent Handbook.
