Students: The **lunchroom** is a place to eat and hang out with each other.

Appropriate behavior in the cafeteria includes not standing from your table until the bell rings, picking up and depositing your trash in the cans, and talking with an inside voice (no unnecessary noise). Clapping for no reason is also not acceptable as it portrays immature behavior. Most importantly throwing, tossing, flicking or flipping objects, including plastic bottles is NOT allowed. These expectations have been communicated with you before, and it is our expectation at Stephenville High School that students who utilize the cafeteria facility follow these rules to ensure a safe and pleasant lunch period for all. Failure to observe and meet these expectations will result in discipline measures.

I'm offering a reward of \$50 for the safe return of my iPhone 6s Plus (not a 7). I'm mourning the loss of all of my family pictures. No questions will be asked but it does need to work. It's Rose Gold (doesn't look as pink as this) and the case is the same color but worn off, It has a black 1-inch dot on the back. The rubber part of the case is detached in places. It was last seen in 204 around 12:00 pm on Tuesday, May 8th. I think it's best to keep my name out of it so just say it's a Staff member. The phone should be turned in to Mrs. Carter.
