

### **Physical Education Grading and Assessment**

Physical Education is a participation class. A student must be in attendance to earn a grade. Each student will earn a daily activity grade based on the performance rubric below.

- **Performance Rubric**

**A**

- Student puts forth maximum effort during entire activity
- Student demonstrates positive social behaviors towards teacher and classmates during entire activity
- Student follows rules and class expectations for entire activity

**B**

- Student puts forth above average effort during entire activity
- Student demonstrates acceptable social behaviors during the majority of the activity
- Student follows rules and expectations for the majority of the activity

**C**

- Student puts forth average effort during the majority of the activity
- Student demonstrate acceptable social behaviors during the majority of the activity
- Student follows rules and expectations for the majority of the activity

**D**

- Student puts forth minimal effort during the majority of the activity
- Student demonstrates negative social behaviors during any portion of the activity
- Student does not follow rules and expectations during any portion of the activity

**F**

- Student put forth no effort during entire activity
- Student repeatedly demonstrates negative social behaviors during the activity
- Student repeatedly does not follow rules and expectations during the activity

- If a student breaks the dress code policy during an activity, or does not bring his/her binder to class, the highest grade a student may earn that day is a "B".
- Letter grades will be assigned at the end of a grading period using the following percentages of a students total points:
  - **A = 90 – 100%**
  - **B = 80 – 89%**
  - **C = 70 – 79%**
  - **D = 60 – 69%**
  - **F = 0 – 59%**
