**FIRST NOTICE**

Dear Parent/Guardian:

A state law (ORC 3701.13) **requires** all students entering 7<sup>th</sup> grade to receive one dose of **Tdap** (Tetanus, diphtheria, and acellular pertussis – **Adacel**) vaccine **and** one dose of **Meningococcal** (MCV4) vaccine **prior** to entering the school year. A Meningococcal Vaccine fact sheet from the CDC is included as this is a newer requirement from the Ohio Department of Health for the upcoming school year.

Please contact your health care provider for the date of your child's Tdap vaccine and meningococcal vaccine or to schedule an appointment to receive the vaccinations.
