e mail	
Beginning date:	

DROP OFF LOCATION IF DIFFERENT FROM PICK UP	
ADDRESS:	
Contact name for above address	
PHONE NUMBER(S) if different from pick up info	

You may keep the highlighted area for your information

Note: Please provide the information listed above when registering so that routes can be set. Busing information will be available only after the student has been registered with the school and information is in the school system on Skyward.

Parents registering their students less than 10 business days prior to the start of the school year may be asked to transport their child until routing changes can be made. Bus stops will be assigned as soon as possible, once the information is compiled. The Transportation office will contact you with the appropriate bus information.

Kindergarten students are required to have a parent or guardian meet them at their bus stop if they do not have an older sibling getting off the bus with them. If no one is present, they will be taken back to their school of attendance.

CHOICE STUDENTS: Students attending school outside of their attendance boundary will be required to provide their own transportation.

The Transportation Department will accommodate **one pick up and one drop off address per student**. All alternate destinations will require a bus pass from your child's school.

Bus passes will only be issued for your child's school attendance boundary area. In order to acquire a bus pass to another child's home, both students involved will need to provide a note from their parent / guardian to the school. Any note given to the school for an alternate destination must have the drop off address and phone number.
