Good Afternoon West Wilkes Community,

I hope we are all on the mend from the various forms of sickness in the community. As students return to school from any absences, please make sure your student turns in all notes - parent or doctor.

A couple of reminders regarding our - Attendance Policy - if students miss more than 6 days during a semester - they must do the following.

1. Students must make up all missing assignments
2. Students must be passing the class at the end of the semester
3. Students must make a 70 or above on the final exam

If students do not successfully complete all 3 of the above items - students may be denied credit for courses. A great way for students to get caught up or even get ahead is to attend SMART Lunch sessions. Our SMART Lunch schedule is included in your weekly email. This schedule is the same each week.
