Dear Parent/Guardian;

The goal at Arleta High School is to ensure that all students make sound academic progress in all of his/her classes while participating in extra-curricular activities. Per LAUSD guidelines all students who participate in an extra-curricular activity must maintain a "C" grade point average.

In addition to the LAUSD "C" grade point average, Arleta High School's academic guidelines are as follows:

- A student enrolled in 4 classes may not fail more than one (1) academic class during the eligibility marking period.
- A student enrolled in 3 (three) or fewer classes must pass all academic classes during the eligibility marking period.
- A student must pass their Advisory class during each of the eligibility marking periods.

If you should have any questions regarding these requirements, please contact your student's coach/teacher.

Sincerely,

Dr. Linda Calvo
Principal

I have read and understand the grade eligibility requirement required to participate in any extra-curricular activity.
