

Our Mission Statement

Val Vista Academy Kindergarten Preparatory begins with a deep respect for your child's eagerness to learn and capacity to develop meaningful relationships. We believe that secure relationships with responsive and respectful adults can provide the basis for a lifelong love of learning. Our dedicated teachers focus on creating these nurturing relationships that allow children to feel value and empowered.

Each day our teachers provide a balanced approach to learning, giving our parents the peace of mind that their children are having fun while they develop socially, emotionally, physically as well as intellectually. We give our students the tools to become confident and self-aware. In a caring and stimulating atmosphere, our passionate engaging teachers give your children endless opportunities to grow, learn, and imagine-whether building a spaceship to blast off to Mars or inviting a new friend to share a story during group time.

We believe curriculum is everything that happens in the classroom. From interactions and meals to singing and playing. We never miss an opportunity to educate. We are committed to supporting your family to raise healthy, happy, and secure children who will be successful in school and in life. A child's early years are critical to their future growth and development.

Our curriculum adapts to changing needs, interests and abilities of each child in our care. We also understand the importance of your child being confident going into Kindergarten. Our curriculum is developed to follow closely to the schedule our Kindergarten students follow each day. Documentation, assessments, and parent-teacher goal setting help create individualized programs that allow children to reach their full potential.

Goals

We, the staff of Val Vista Academy, will provide for the children:

- A pleasant and safe space to play and learn.
- A curriculum and classrooms structure that encourages and enhances your student's education.
- A place to meet their emotional, physical, social and intellectual development.
- A well rounded advanced learning environment.

Children come to us with the wonder, desire and willingness to learn. Our job is to make sure they leave with their inquisitive natures enhanced and with the academic and social skills to help them succeed in school and in life.

First Day at the Kinder Prep, August 3, 2017

Before your child's first day you will need to set up an exact enrollment date. Children often cry the first few times they are left. Try a brief goodbye. Delaying departure is hard on your child and the parent, as both become upset and reinforce each other's fear feelings. If your child is upset when you leave the classroom, feel free to call the main office back after some time to check on your child's progress.

We will call you if your child does not settle down. Most children quiet down quickly, they are reassured by the teacher and become interested in the toys and other children.

Outdoor Play

The children will have two outside free play times if the weather permits. Children will be unable to be outside if it is raining, below 30 degrees, or above 100 degrees with a heat advisory. If the weather does not allow the children to go outside we will have an inside open recess time indoors.

General Curriculum Areas

Art-We use a variety of materials so the child may experience the joy of creating by cutting, gluing, coloring, and painting. Art may also be used for instructive purposes such as identification of shapes, learning to follow oral instructions, sequencing steps, and learning various steps such as cutting and pasting. Activities are geared to the child’s level and are concerned with the process of creating instead of the final product.

Val Vista Academy

Where children are the priority!

4120 S. Val Vista Dr. Gilbert, AZ 85297 Valvistaacademy.org

Science-A variety of science materials will be out for exploration by the child in learning centers, books and group experiments will be done frequently. Science study increases vocabulary and general knowledge, encourages curiosity, helps children discover natural laws and helps the child become more aware of his/her surrounding world.

Music- Music is used to express emotions, reinforce subject material and a source of joy. We use tapes, CD's, records, rhythm instruments, scarves, ribbon sticks, singing, clapping, and body movement.

Group Time-This is a period of 15-20 minutes that serves as a vehicle for teaching a wide variety of subjects. It often includes finger plays, stories, games, songs, and discussion centered around one topic. This topic is the basis for our weekly themes, which may include the Zoo, food, numbers, the forest, animals, etc. Monthly and weekly themes are posted for your information.

Small Muscle-Through manipulative table toys, games, and other activities, small muscle coordination grows. A variety of small motor toys are offered and changes weekly to coordinate with the weekly themes.

Large Muscle-Children receive large muscle coordination through outside play, going for walks, or indoor play in the common rooms. Depending on the weather, children are offered large muscle play two times a day.

Behavior Guidance

Val Vista Academy has a philosophy that your children are important, and if given the opportunity, they will thrive emotionally, intellectually, socially, and creatively under the loving guidance of concerned parents/guardians and teachers.

Our staff will:

- model positive acceptable behavior.
- redirect children from conflict to constructive activity
- teach children alternatives to problem behavior
- protect the safety of children
- provide immediate guidance/direction if a child's behavior is unacceptable.
- recognize the age appropriate development of the child
- not allow the children to act in a manner which will endanger them, another child or the staff

The following actions are prohibited by the staff:

- subjection of a child to emotional or physical abuse
- punishment for lapse in toilet training
- withholding food, light, warmth, clothing, or medical care as a punishment for unacceptable behavior.
- physical or mechanical restraint such as tying, other than to physically hold a child when necessary to protect a child or others from harm.

Separation occurs when a child is removed from the group and is temporarily unable to participate in the program activity. No child may be separated from the group unless the staff has tried less intrusive methods of guiding the child's behavior, which have been ineffective, and the child's behavior threatens the well-being of the child or other children in the center. All separation from the group must be noted on the daily log. The staff persons making the note will state what other redirections methods were used to guide the child's behavior and how the child's behavior continued to threaten the well-being of the child or other children in care. If the child is separated from the group three times or more in one day, the child's parents will be notified.

The center director will oversee all discipline. All children's discipline will follow Val Vista Academy guidelines. These guidelines can be found in the Val Vista Academy handbook. All Val Vista Academy families are required to obtain and read the Val Vista Academy handbook as well as the Val Vista Kinder Prep handbook.

Val Vista Academy

Children will be unable to attend while account is frozen. All payments should be credit card or made through Tuition Express. Val Vista Kinder Prep will NOT accept cash or check payments. A monthly receipt will be provided.

Our hours are 8:30am-2:15 pm Monday-Friday. Drop off cannot be before 8:15am unless other arrangements have been made. This drop off cut-off time allows the children to have a stable structure through the school day. "Class time" will begin at 8:30am.

Any student who is left after 2:15 pm is considered late. A warning will be issued first and then the second time the parent will be charged \$1.00 per minute after 2:20 pm. Registration for Kids Club is available before and after Kinder Prep hours.

****Please have a back-up plan for the days you are running behind or stuck in traffic****

Vacation

If your child will be missing a consecutive Monday-Friday 5 days a week due to vacation, you will be charged ½ tuition to hold your spot at Val Vista Academy. Vacation notices need to be made with the school Principal 2 weeks prior to taking vacations.

Termination notice and/or Schedule changes

When the time comes to withdrawal your child from the school, two week written notice is required. Staff members will gather your child's possessions for you the child's last day. Please pay your bill in full before your child's last day at the school. Changes in your child's schedule need to be made with the Principal; if possible, 2 weeks in advance of the date you wish to change.

In rare cases the staff may decide that a student is unsuitable for our program. If any child shows severe adjustment problems or stress in a group situation, the Principal will give the parents/guardians 2 week notice to make other arrangements. In the rare case a child's parent/guardians cannot adjust to the school's schedule or center regulations, the director will give them a verbal warning and remind them of our rules and regulations. If parents/guardians continue to ignore or break center regulations, the director will give the parents/guardians 2 weeks to make other arrangements.

Policy on Sickness

Please do not bring your child to Kinder Prep if he/she is displaying sickness or has fever. Please respect the staff's judgement when they determine that a child should not attend because of sickness. These limits are designed to help sick children recover and to avoid the spread of disease. We have a Medical Assistant at the Val Vista Academy's front office to advise and consult with on medical questions.

Listlessness, diarrhea, fever or crankiness may all be symptoms of illness, and it is our policy to isolate children showing such symptoms. Parents need to pick up their child **promptly** if he/she is ill. If your child becomes ill while at the school, the child must be isolated from the other children in our care and the parent called immediately. The license holder must exclude a child:

- who has a reported illness or condition that is contagious. Parents must inform us within 24 hours if their child has a contagious disease.
- who has vomited since arriving that day.
- who has had an abnormally loose stools since arriving that day.
- who has a contagious conjunctivitis or puss draining from eye (pink eye)
- who has had a bacterial infection and has not completed 24 hours of antibiotics.
- who has unexplained lethargy and is unable to participate in all regular activities of the day
- who has a 100 degree Fahrenheit temperature or above before fever reducing medication is given.
- who temperature has not been below 100 degrees for 24 hours.
- who has an undiagnosed rash or a rash attributed to a contagious illness or condition
- who requires more care than the teacher can provide without compromising the health and safety of other children in care.

Disease Notification If children are exposed or have a contagious reportable disease, this will be reported to all parents by the director in the form of a health notice or sick note.

Substitute Teachers

On the days when staff ratio is low or a staff member is ill or absent, the Principal will call for a teacher substitute, assistant, or aide to assist in daily activities.

Accident or Emergency Procedures

-If your child becomes injured at the school, the medical assistant or teacher in charge will administer simple first aid such as washing the injury, applying ice and bandaging. The teacher or medical assistant will then fill out an injury report. One copy will go into the child's mailbox and one copy will go in the child's file. If the injury were serious we would call the parent for instructions. If the child receives a serious injury that requires the services of a doctor, the following procedure will be followed:

1. Call parent or guardian.
2. Call one of the persons listed on the emergency card.
3. Send the child to Val Vista Academy RN school nurse.
4. In the case that above three fail, we will call emergency service and have the child taken to an Emergency hospital. Someone from our staff will accompany the child in the ambulance and will stay with them until a parent or guardian is present.

*** Any and all expenses incurred under #4 will be borne by the child's family or guardian. If an injury is severe, procedure 1-3 will be waived and 911 will be immediately contacted.

Safety-The first teacher on duty in the morning will make a visual inspection of the room, and correct any potential hazards. Staff will use good judgement and prevention techniques to avoid injuries, burns poisoning, choking, suffocation, traffic, or pedestrian accidents.

Fire Prevention and Procedure

1. Monthly fire drills will be conducted; a log is kept for licensing.
2. Primary exit of the building is out the front door. The second exit is the back door. The third exit is through the windows.
3. 911 will be called if needed.
4. Fire extinguishers are in each room.
5. All staff are trained in fire procedures at their orientation.

Unauthorized Pick-Up of a Child

No unauthorized person or anyone who is incapacitated or suspected of abuse will be allowed to pick up a child, the school will not release the child to that person. If the person attempts to force, 911 will be called immediately.

Missing Child

If a child is missing, the teachers will first conduct a search for the child. If the teacher does not find the child, 911 and the parent/guardian will be called.

Missing Parent

If the parent/guardian of a child does not appear to pick up their child, the staff member on duty will make attempts to reach the parents/guardians through the telephone numbers given and the contact persons authorized to pick up the child. If we are unable to contact anyone listed on the registration forms, the closing director will stay no longer than 6:30pm. After that time, the director will turn the child over to the Child Protection Unit. A note will be left on the center's main door telling where the child was taken and the Child Protection phone number.

Admissions: Non-Discrimination

Val Vista Academy and Kinder Prep may not discriminate on the basis of race, sex, religion, creed, color national origin, or source of payment. All children are welcome here.

Abuse/Neglect of Child

Any abuse or neglect of a child will be reported by any person on our staff to Child Protection if it is suspected. We are legally required to report any suspected abuse or neglect of a child within 24 hours of suspected abuse or neglect.

Grievance Procedure

In the event of a misunderstanding, personality conflicts, or specific complaints against the school staff or polices, parents are encouraged to make an appointment with the principal to remedy such problem. Complaints may also be aired at parent meetings in order to discover if other parents have similar complaints and to work on positive solutions. A parent advisory board may also be formed to discuss any problems that come up. After these attempts have been made without a change to resolve the problems, the parent may appeal to the Principal Dr. Londer, and/or Beth Morales located in the Val Vista Academy front office for further consideration. Good communication and interpersonal relationships make problem solving much easier. Please take the time to get to know the staff and let them know you.

Toys

Val Vista Kinder Prep requests that your child does **not** bring toys from home. Toys brought from home will be kept in the teacher's desk until parent/guardian picks the child up. Specific days will be held for show and share when toys are welcome to come to school. Val Vista Academy is not responsible for any lost, stolen, or damaged items brought from home. All items brought from home, including lunch boxes, blankets, extra clothing, toys, electronics, and any other items are solely in the hands of the family that brought them.

Snacks

The school provides a morning and afternoon snack. This includes a beverage of water, juice or milk and two food items of crackers, fruit, cheese, sandwich meat, cereal, and raisins. Children enjoy treating their classmates to a special snack for birthdays and other special occasions. We require everything brought to the school to be pre-packaged store bought and nut free. Please talk with the teachers on the days you would like to bring a special treat into your child's classroom.

Lunches

Children will bring a **peanut free** lunch from home. An attempt at a complete balanced diet is recommended. Uneaten food will be placed back into the lunch box to let parents/guardians know what they ate that particular day.

Parent-Teacher Communication System.

We have many forms of communication with the parents/guardians. Listed below are the number of ways the teachers, principal and parents can be in communication with each other.

1. Initial meeting with parents: Pre-enrollment conference. When you enroll your child, the principal or teacher in charge will show you around the school and answer any questions you may have. You may wish you share concerns about your child with the principal, tell what you expect from the program, etc. Please tell us if your child is on medication, behaves in any unusual ways, or has special traits of which the teacher needs to be aware.
2. Parent-Teacher Conferences: These conferences are very useful for the teacher and the parents. They are a great way to assess how each child is doing in the school. The conferences are held in the fall and in the spring.
3. Parent Meetings: These informal get-togethers are held according to the needs and wishes of the parent. A teacher may give a short presentation followed by time to discuss matters or concerns.
4. Parent Information Board: The parent information board, located on the wall next by the sign- in books, serves as a place to post the monthly newsletter, health notices, lunch menus, and all activities happening with the school.
5. Kinder Prep Newsletter: The newsletter is published monthly and placed in your child's folder. The newsletter contains information that is pertaining to every classroom.

Please tell us if

Your child has a bad night sleep-He/she was recently ill-Something upsetting happened-something fun or exciting happened-your child has been exposed to a contagious disease-your child verbalizes feelings about the center or staff or if your child's behavior or mood is different than usual.

We will tell you...

About your child's play-if your child didn't normally or was out of sorts-if your child has an unusual bowel movement or any other unusual behavior-if your child got upset about something-or anything else we feel you should know about your child's day.
