At the Y, we care for kids! With so many demands on today's families, parents need all the support they can get. That's why child care at the Y is about more than looking after kids. It's about nurturing their development by providing a safe place to learn foundational skills, develop healthy, trusting relationships and build self-reliance through the Y values of caring, honesty, respect and responsibility.

With several affordable care options, including financial assistance for qualifying families, YMCA Afterschool meets all of your needs by providing safety, homework support, recreation, and enrichment for your child before and after school. Our caring staff and well-rounded curriculum provide opportunities for your child to learn, grow, and thrive through participation in the arts, sports, and community service projects. Y-Clubs™, such as gardening, sports, and photography, will engage your child and encourage them to explore their talents, interests, and abilities in a safe and supportive setting – where your child's CHARACTER COUNTS!™
