March 16, 2018

Dear Parents and Guardians,

This letter is to inform you of a Beaumont High School leadership change. This week I was offered the Director of Secondary Instruction position with the Fontana Unified School District. After careful consideration, I have decided to accept this new opportunity. It has been a very emotional process for me in making this decision as I truly love serving as Beaumont High School Principal. It has been a privilege for me to serve our students and families these last four years.

I want to thank each and every one of you for all your support, and for entrusting me with your children. During my tenure, I have fostered relationships with many of you and I will cherish the memories and friendships I have made during my time. I am honored and feel fortunate to have been given the opportunity to be part of this Cougar Community. I have been blessed to lead a staff who is selflessly committed and who work above and beyond expectations and student needs.

My last day serving in this role will be April 27, 2018. The Beaumont Unified School District administration will appoint an interim principal that will be in place until a new principal is hired. I assure you that I will work with the interim principal in this transition to minimize disruptions for our students and families.

Thank you again. I will miss this exceptional community. I will always treasure the many fond memories that I have built here, and Cougar Nation will ALWAYS have a special place in my heart.

Sincerely,

Christina Pierce
Principal
Beaumont High School
