MARYLAND 4-H CAMPS Sunscreen Authorization Form

Dear Parents:

The Maryland Department of Health and Mental Hygiene has adopted a policy regarding the use of sunscreen at youth camps. In order to operate a camp in the state of Maryland, we must abide by the policy as outlined below. Please read the following regarding use and application of sunscreen at Maryland 4-H Camps. The authorization statement must be completed and submitted along with sunscreen labeled for your camper (one form and bottle per camper) on the first day of camp, at the start of each subsequent week (for long-term day camps), if the brand of sunscreen changes, or if a new bottle is supplied. Please address questions about this policy to your Camp Coordinator.

MARYLAND 4-H CAMPS SUNSCREEN POLICY

1. Each Camper's parent/guardian must provide written permission for use and application of sunscreen on their child.
2. Sunscreen containers must be clearly labeled with the Camper's name and must be provided to Camp Staff at camp check-in. This signed authorization form must be submitted along with the sunscreen.
3. Campers should, in most instances, apply the sunscreen on their own. If assistance is needed it will be provided by Camp Staff ONLY if specifically authorized (see below).
4. For Day Camps, Campers need to have sunscreen applied to them by the parent/guardian BEFORE arriving at camp, not when dropping off.

In the event my child does not bring sunscreen to camp and conditions warrant its use, by my signature below I authorize members of the Maryland 4-H Camp Staff to use camp supplies of sunscreen, and to apply this sunscreen to my child's body as described above.
