

Academic Support Notice 2017-18

_____ has been assigned to Academic Support as a result of a missing or incomplete assignment, quiz, or test. Academic Support is provided as a time to make-up/retake/complete an assignment due to either an absence or a demonstrated lack of effort. This is also a way of providing students with a structured time to improve his/her grade without missing valuable instruction during class time. Please sign below and help your child select an appropriate time to attend Academic Support.

Student,

In the Academic Support classroom, the assignment will be administered by the teacher-on-duty. You must have all necessary materials needed to complete your assignment including: book, paper, pen, calculator, etc. These items will not be provided for you.

Academic Support is provided multiple times each week. You may choose the most convenient day and time to attend. A note, with the name and phone number of the person who will pick you up after an afternoon session of Academic Support, must be given to the supervising teacher. Thank you for taking advantage of this opportunity to raise your grade and not miss instructional time.
