

The Oratory School of Summit

List of Naming Sponsorship Opportunities

The leadership of The Oratory School of Summit invites you to participate in our fundraising effort in an extraordinary manner. To recognize your generosity, we offer the following sponsorship opportunities for your consideration. Sponsorship allows multiple donors to participate in being recognized in an area that interests them. The value of the sponsorship does not reflect the expense of its construction, expansion, or renovation. Rather, it reflects desirability, significance, and visibility within our campus. In addition, donors have the opportunity to offer their own names, those of a loved one, or a friend to honor their philanthropy.
