School Description

Nokomis is a K-5 Elementary School serving 410 students on a traditional school calendar. Nokomis has a multicultural school population with students of different ethnicities including Native American, Filipino and Hispanic. 57% of our students are English Language Learners. We have a bilingual Community Liaison who creates opportunities for parents to stay connected to the school (translations, home visits, and parent classes). The school is located in an area of our community where there is a high level of poverty. 92% of our students qualify for free/reduced lunch. Nokomis accommodates 17 classroom programs, a Title 1 Reading Resource program, a reading specialist, a pre-school, a Resource and Severely Handicapped Special Education Program, and an autism self-contained class. We have a school counselor who provides group counseling and Tier I and Tier II behavior interventions. The Staff is composed of 24 certificated personnel, a school psychologist, counselor, nurse, and speech therapist. There are 37 classified employees that include teaching assistants, secretaries, custodians, library technician, and Special Education Program personnel.

Nokomis Vision and Mission

We, the Nokomis School community of families, students and staff, are committed to the belief that all students can learn and become responsible and productive citizens. This community nurtures creativity, positive self-esteem, and a love of learning. Our school climate respects diversity and fosters academic excellence in a safe and caring learning environment.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

General

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings

This school has 21 classrooms, a multipurpose room, a library, a computer lab and an administration building. The main campus was built in 1954. Portable classrooms were constructed in 1988 (2), 1993 (3), 1994 (6) 1999 (1) to handle growing enrollment. During the summer of 2004, 9 of those portables were removed from the campus due to the opening of Grace Hudson Elementary School. During the summer of 2005, a new portable was added to the campus for use by the special education program. During the summer of 2006, two additional portables were added to bring capacity up to the district standard of 475 students.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A web-based work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. The principal and the Director of Maintenance and Operations works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. Custodial staff work over the summer to deep clean the classrooms.

Deferred Maintenance Projects

Exterior painting and restoration of the breezeway roofing is scheduled for the summer of 2017.

Technology Projects

Extensive WiFi upgrades were performed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA	18	20	36	35	48	48
Math	15	14	23	24	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Science	17	26	39	43	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6

White	17	16	94.1	50.0
Socioeconomically Disadvantaged	43	41	95.4	22.0
English Learners	14	13	92.9	

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	190	188	98.95	19.68

Students with Disabilities	35	34	97.14	2.94
Students Receiving Migrant Education Services	21	21	100	14.29
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Nokomis welcomes parents to participate as volunteers in the classroom, support for field trips, and membership on committees.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Our Safe School Plan includes the following elements: Annual Statistical Report, Child Abuse Reporting, Disaster procedures, Suspensions/Expulsions, Notification of Dangerous Pupils, Sexual Harassment Policy, Dress Code Prohibiting "Gang Related" Apparel, Student/Employee Safety to and From School, Safe/Orderly Environment, Discipline Rules and Procedures, and Crisis Plan. It is updated and reviewed annually.

Professional Development provided for Teachers

Professional development activities are ongoing. They take place before school begins, during the school year through teacher release time, on collaborative Wednesdays and ASES staff is encouraged to take advantage of professional development opportunities. Additionally, teachers are receiving training in technology. The district developed a Leadership Network team comprised of teachers and administration from every site. The objective is for participants to receive focused CCSS training to guide, direct, and provide in-service to site staff. We are using Educator Effectiveness Title II funds to provide teachers opportunities to refine their skills in delivering Bridges math lessons.

Types of Services Funded

All students are provided the core program in the areas of Reading, English-Language Arts, Mathematics, Science, Social Studies, Health, Visual and Performing Arts and Physical Education. In addition, identified students receive support services through categorical funds.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
