

Career Go~Get~It Week

March 2~6, 2015

J.D. Hall Learning Center

Monday- JD Hall STEM Learning Center will kick off an exciting week of "Career Week" activities with a dynamic presentation from the managing partner of one of DFW Metroplex's largest staffing firms PSSP. CeCe Moreland will have an open discussion on the most sought out after skills of today's employers.

Tuesday- Citi Financial IT Director Michael Masek will discuss with the students of JD Hall the importance of STEM careers in our fast moving tech society.

Wednesday- Nancy Haag RN will have a round table discussion with students about cutting edge careers in today's fast moving medical field.

Thursday- Dallas ISD STEM Coach Cherie Salis will visit the JD Hall campus and answer questions about the STEM pipeline and the contribution Lancaster High School students can have an effect on it.

Friday- Lancaster Police Dept. officer R. Sparks will engage the students in exploratory conversations relating to exciting careers in law enforcement.
