Note: Tide®, Gain®, Downy® and Dawn®, are made by Proctor & Gamble. GCF products are private label products made to look/smell/perform as well as or better than their big name counterparts. We have versions of the most popular name brand formulas that most consumers are already buying. While GDF products ARE NOT made by Proctor & Gamble...they are of exceptional quality, all made in the USA and backed by Good Clean Fundraising 100% Money Back Guarantee.

All buckets sell for \$46.00* including a handy pump. **Recyclable - Biodegradable - Sustainable - Made in the USA**

You would have to buy more than 6 - 100oz bottles to equal one 5-gallon bucket.
