If you would like to obtain a Skyward username and password to stay current and up to date with your child's grades, attendance record, teacher messaging, and more, please fill out the form below and return it to school. **Only one form per family needs turned into the school.** A generated Skyward username and password will be sent home to you for your online access.

***Important\*\* If you were a registered user for last year's CSIU Parent Portal, you were recently emailed a new username and password for Skyward. If you have any problems with the email that was sent, please fill out form and check the box at the bottom of the form and send into school with your child. The "Health Info" on Skyward has not been updated. Please ignore the vaccination compliance warnings; the nurse will contact you if anything is missing.***
